Trees and Working Bees

A very big thank you to all those involved in making our tree planting and working bee a great success yesterday. I had many excited students telling me all about their day. It was great to see so many parents lending a hand and ensuring that our school is looking fabulous.

PLANET ARK TOYOTA

Melissa Pearce

A big thank you to the **LIONS CLUB** of Stanhope for supplying and cooking the BBQ. A great community event for all involved.

Student Led Interviews

Student led interviews are a wonderful opportunity for students to showcase their learning, talk about challenges and successes they have experienced and share set goals and proposed student learning. This term School Council have approved for Stanhope Primary School to hold **Student Led interviews on the 16th of September. On this day students are only required at school for their interview time.** This enables the teachers to have a dedicated day to ensuring a collaborative approach to student learning with students being prepared with a portfolio of work, goals for learning, areas to work on and strengths that are ready to discuss with parents. Student Led interviews are a way for your child to showcase their learning journey giving them empowerment and ownership over their learning. If you have any questions about this please do not hesitate to come and see me.

Parent Opinion Survey

Families who were randomly selected to participate in the 2019 Parent Opinion Survey have now received emails inviting them to do so. This is a great opportunity to give the school feedback on how they are performing in all areas of your child's education. Thank you to those who have already completed this survey.

Highlight

This week's highlight for me has been seeing the fantastic work that is on display at Stanhope Primary – we have lots of creative students here!

Have a great week everyone. Mrs Pearce.

At Stanhope Primary School we welcome families to ask questions, share concerns or information we might need about your child/ren through making a time with the principal or their child's teacher. You can now do this via 'Conversations' on uEducateUs as well as the more regular channels.

PARENTS

Please note that permission forms & money need to be returned to the school prior to the day of the excursion or your child risks not being able to attend.

Forms are unable to be printed out on the day of the excursion, so parents & guardians will have to handwrite missing permissions on the day of the excursion.

Thank you.

FROM THE

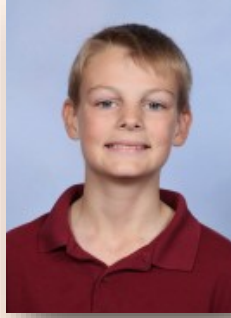

Business Manager

Mica will be in the office on Tuesdays and Thursdays. I am happy to discuss payment options for fees or camps and excursions with you.

NATIONAL TREE PLANTING DAY

Yesterday we did Tree Planting Day. We did rotations of different activities, one of the activities was who could throw the gumboot the furthest, another one was planting trees, and the last one was counting all the trees in the whole school. For the tree planting Jason and Belinda helped us all plant two trees each with a little buddy. We also had Parent helpers cleaning the front of the school and the Lions Club cooked us sausages for lunch. At the end of the day most of the 3-6 class did weeding out the front of the school.

**Thanks.
Mrs Sheedy.**

Tree Planting Day

Thanks to all who helped out with the planting of trees and weeding of the garden.
