From the Principal

It's that time again!

In line with our school Sunsmart Policy, students and staff are required to wear their school hat whilst playing or learning

outdoors, this will come into effect on Monday. Students without a suitable hat will not be permitted to play in the open areas of the yard. Hats are available for purchase for \$5.00 for anyone who has misplaced theirs.

Book Fair

Congratulations to Parent's Club & our school community who have raised **\$955.00** for books to promote literacy.

Concert

A reminder that this event is only 11 sleeps away. Tomorrow we will be heading down to the hall so that students can get an idea of the layout of the room and how it might be best to be positioned on stage. On Monday the 10th of September (concert day) we will be practicing at the hall from 9am.

Parent/Teacher Interviews

These are being held next week. Times have been allocated and are attached to this week's newsletter. If you are unable to make it, please let the school know. As many of the appointment times are successive or involve families seeing one teacher immediately after another, we request that all families be on time for their interview.

Year 5/6 Visit to Kyabram P-12

A reminder that next Wednesday our Year 5/6 students will be attending a morning session at Kyabram P-12 College. They will participate in a Home Economics Class. The bus will leave Stanhope PS at 9am sharp so please ensure students are on time for school. Permission slips for this excursion have already been sent home, please ensure they are returned by tomorrow at the latest.

Parent Opinion Survey

We have received notification that the survey link will remain open until Sunday September 2nd. For any families that are yet to log on and complete the survey, this extension now provides you with some additional time. The link to the survey is <https://www.orima.com.au/parent>. If you require your PIN please contact the school. It would be great to have a response from all families.

FROM THE

Business Manager

Mica will be in the office on Tuesdays and Thursdays.

Father's Day gifts awaiting payment and pickup are being held at the school office.

We would appreciate EXACT money for excursions and other payments, as there is not usually change available.

This also becomes messy when allocating residual money to various other student's activities. Thank you.

Book Week

Last Friday we held our Book Week Dress Up Day. It was fantastic to see so many different and colourful characters from a range of books. Thank you to the families for supporting this event by getting crafty or sourcing (the sometimes imagined) costumes that your children requested. The Student Representative Council acted as judges, awarding a prize to someone from each Year Level.

Waste Pioneers

Yesterday we had our whole school excursion to Echuca and Moama. We visited the Veolia Recycling Plant in Echuca. Students were able to see how various waste materials are collected, sorted and recycled.

Whilst we were there we had three students- William P, Jack and Shaun deliver their 'Pitch'. The Pitch was completed by all students and involved them having to come up with a solution and design for reusing one or more plastic 1.25L bottle. We watched all student presentations last Friday and one group was chosen to 'pitch' their idea to the people who run the Waste Pioneers Program.

On the excursion day we also had Mrs Sheedy's grade visit the Campaspe Library and the Year 3-6 had a look around the Port of Echuca. We all travelled out to the Moama Adventure Playpark for lunch. A great day was had by all. Thank you to Leanne Reed for joining us and assisting with supervision.

Expressions of interest

The Stanhope cricket club is again very keen to field at least one junior side for the coming 2018-19 season. For those who aren't aware, there are to be major changes in junior cricket this year. The aim of this is to more closely replicate the game at the top level, increasing enjoyment for players, while increasing participation for all players. Some of the changes include reduced pitch length, boundary size and the number of players per team, while equipment will also be more appropriately sized for children.

If you think you would be interested in giving the newly revised junior game a shot, please get in touch with our junior co-coordinator Steven Hall.

Possible grades we'd love to fill:
