Lions Club Junior Public Speaking Final

It was a great privilege to sit and listen to some very fine speeches on Sunday at the Girgarre Hall. Wil Harrison represented Stanhope Primary School with gusto. It's a big deal to get up in front of many people and speak as well as he did. We are all very proud of you Wil, thank you for representing our school so well.

Student Led Interviews

Please mark the **16th of September in your diaries as our Student Led Interview day.** It's a wonderful opportunity for students to showcase their learning, talk about challenges and successes they have experienced and share set goals for future learning. This day will enable teachers to have dedicated time ensuring a collaborative approach to student learning. Students will be prepared with a portfolio of work, goals for learning, areas to work on and strengths that are ready to discuss with parents. I am looking forward to seeing and hearing all about the wonderful work they have prepared to show to you. If you have any questions about this please do not hesitate to come and see me.

Parent Opinion Survey

A very big thank you to the selected families who have completed the Parent Opinion Survey. If you are yet to do so you now have until **Sunday the 18th of August** to complete this very valued opinion survey.

Highlight

The students were *buzzing* this week as we began a wellbeing space in the resource room. This space has begun to take shape and will provide a quiet area to work, for meetings to be held such as Junior School Council and a space to just be when things feel tough. The students have written me a list of items they would love to see in the space – Kmart here I come! (PS thank you for giving me a valid reason to visit one of my favourites!)

Have a great week everyone. Mrs Pearce.

At Stanhope Primary School we welcome families to ask questions, share concerns or information we might need about your child/ren through making a time with the principal or their child's teacher. You can now do this via 'Conversations' on uEducateUs as well as the more regular channels.

PARENTS

Please note that permission forms & money need to be returned to the school prior to the day of the excursion or your child risks not being able to attend.

Forms are unable to be printed out on the day of the excursion, so parents & guardians will have to handwrite missing permissions on the day of the excursion.

Thank you.

FROM THE

Business Manager

Mica will be in the office on Tuesdays and Thursdays. I am happy to discuss payment options for fees or camps and excursions with you.

Grade P-2

Mrs Sheedy

In the Respectful Relationships (Health) program this term we have been focussing on topic 5: stress management.

We have talked about what stress is, ways we can calm ourselves if we are feeling overwhelmed and the physical symptoms in our bodies. We made stress balls and did some mindfulness activities. Our next topic is help-seeking.
