- ◆ Winter Sports Grade 5-6

Thursday 13th June

- ◆ Winter Sports Grade 3-4
- ◆ ART Grade P-2

Friday 14th June

- ◆ ART Grade 3-6

Tuesday 18th June

- ◆ LIBRARY

Wednesday 19th June

- ◆ Silly Scientist Incursion
- ◆ Café Lunch Orders
- ◆ School Council 7pm

Friday 21st June

- ◆ Early Assembly at 2.45pm

Thursday 27th June

- ◆ ART Grade P-2

From the Principal

Don't Forget!

Don't forget that there is **no school for students this Friday, 7th June**. Teachers will be analysing assessment data and writing reports. **Student return to school on TUESDAY 11TH June, after the Public Holiday on Monday 10th June.**

State Education Conference

As expected, this conference provided a wealth of positive and practical resources and supports for reaching our potential as a whole school. The focus for the conference and for the workshops I attended focussed on how to prepare for uncertain times ahead in terms of how jobs and careers are changing, even as we read this newsletter! How do we prepare our five year olds for a society that will be most likely be unrecognisable to us, by the time they leave school or university? What skills will they need? How do we accommodate the need for a connection with history and a sense of future potential? I will be briefing the staff on what I learned and gained and how we might best use it in our context.

Teacher Learning

Next Tuesday afternoon, Stanhope Primary School is hosting our Small School Cluster Professional Learning. We will be linking up to the Australian Children's Television Foundation, to see how this dynamic organisation's resources can be applied and utilised in our classrooms. The ACTF has a wealth of experience and a long history of providing Australia's children and young people with high quality, fun, learning materials in a wide range of formats.

Your Assistance Appreciated

Please assist us by notifying us via note, text, phone, Class dojo or uEducateUs, if your child/re are to travel home, other than their regular arrangements. This will avoid the needless time spent looking for children at the end of the day who have 'disappeared', or given us messages that may or may not be authentic.

Late phone calls or texts may or may not be taken/read due to staffing on that particular day.

**Christine
Owen**

At Stanhope Primary School we welcome families to ask questions, share concerns or information we might need about your child/ren through making a time with the principal or their child's teacher. You can now do this via 'Conversations' on uEducateUs as well as the more regular channels.

FROM THE

Business Manager

Mica will be in the office on Tuesdays and Thursdays. I am happy to discuss payment options for fees or camps with you.

PARENTS

Please note that permission forms & money need to be returned to the school prior to the day of the excursion or your child risks not being able to attend.

Forms are unable to be printed out on the day of the excursion, so parents and guardians will have to hand-write missing permissions on the day of the excursion.

Thank you.

Student Cooperation and Collaboration

With absolutely no adult guidance, our students have been working and playing together to develop this construction / farming zone. Complete with mud daub fences and walls, driveways, silage storage and many other design features, the area is a hive of activity every possible chance the students get!

Grade P-2

Mrs Sheedy

The Prep-Two's have nearly come to the end of their Songroom journey with Caitlyn. Each week we have been learning about a different element of music. This week we learnt about timbre, through body percussion and instruments. Timbre is the different types of sounds made by instruments; it is caused by the different materials instruments are made of and the way they are played. Here we are putting our instruments into categories depending on the timbre.

activities in the park

SCHOOL HOLIDAY ACTIVITIES PROGRAM

1-12 JULY 2019

SENSORY PLAY

Tuesday 2 July | Aquamoves
10:30am - 12:00pm & 1:30pm - 3:00pm

Sensory play activities will activate and stimulate children's senses through the use of household products and other items. Children will explore the sensations of touching, smelling and seeing through playing with jellies, slimes, pool noodles and much more.

CLAY TURTLES

Thursday 4 July | Aquamoves
10:00am - 11:00am

Children will use clay to create their own unique turtle using different designs and textures. Children will be able to tap into their own ideas and creativity to create a turtle whilst also learning about the significance of turtles to the local Aboriginal communities in Shepparton.

SIGNS AND SYMBOLS

Thursday 4 July | Aquamoves
12:00pm - 1:00pm

Children will have the opportunity to learn about signs and symbols in local Aboriginal culture, giving participants the opportunity to become more creative and to tell stories through signs and symbols in drawing and painting.

MINI RIVER OLYMPICS

Friday 5 July | Victoria Park Lake
10:00am - 11:30am

Children in teams will participate in a relay of fun environmental mini games, giving them the opportunity to have some fun but also learn about the environment and the important roles nature has to play in everyday life.

ACTIVE KIDS

Monday 8 July | Aquamoves
10:00am - 11:30am

Aquamoves' Active Kids program provides encourage children to be more physically active and lead a healthy lifestyle. Circuit based activities focus on team work, building courage to participate in physical activity and working towards targeting different development areas.

TRADITIONAL INDIGENOUS GAMES

Tuesday 9 July | Victoria Park Lake
1:00pm - 3:00pm

Participants will learn about Traditional Indigenous Games that have been played throughout Australia for many years. Community members will be teamed up and play a range of Traditional Indigenous Games creating a great learning opportunity and a fun way to celebrate NAIDOC week with the local Aboriginal community.

AMAZING RACE

Wednesday 10 July | KidsTown
11:30am - 1:00pm

Based on The Amazing Race game show, teams will race against each other in a scavenger hunt across KidsTown. The teams must make specific 'pit stops' where they must complete challenges to gather clues that will help them move forward in the game.

BADJA BAYADERRA - STORY TIME IN THE PARK

Thursday 11 July | KidsTown
11:30am - 1:00pm

Ever wanted to know how to understand and speak traditional Yorta Yorta language? Activities in the Park has collaborated with Heidi Knowles to present a special 'Story Time in the Park'. This is a unique and rewarding educational experience providing kids with a fun and engaging story telling session told in Indigenous Yorta Yorta language. Following is an arts and crafts activity based on the characters and themes found in the story.

ALL ABOARD - SKATEBOARDING WORKSHOP

Friday 12 July | Shepparton Skate Park
10:30am - 2:30pm

This activity will help children learn about skateboarding and build the skills and confidence in skating. This fun workshop provides support for both beginners and those who have already developed skills in skateboarding.

Learn to Swim

School Holiday Intensive 1st to 5th July 2019

Could parents please make sure they only order what's available on the list, that the price is correct for what they order and that the correct money is given.

Language of independence building CONFIDENCE

by **Michael Grose**

“How will you fix this?”

Goal: Restoring relationships

Independent kids are usually socially-smart kids who don't operate in a bubble. They know that their behaviour impacts on others they are mindful of the thoughts, feelings and behaviours of others. They also make amends or restore relationships when their behaviour impacts negatively on others. Relationship restoration is a lifelong skill and involves the following: swallowing your pride, making up, giving something back, not holding a grudge and moving on.

NEWSLETTER ITEMS MUST BE SUBMITTED TO THE SCHOOL OFFICE IN WRITING OR ELECTRONICALLY BY 9AM WEDNESDAY TO GUARANTEE A SPOT IN THAT WEEKS EDITION

PROTECT

Protecting children & young people from abuse is our responsibility
