## From the Principal

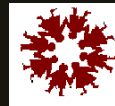

### Stanhope As A Champion Of Higher Education Participation

This week I was interviewed as part of a research team doing a study about regional communities and the influences communities have on students getting to university and completing their studies. The researchers selected Stanhope as one of five communities of interest nationally. The research found that Stanhope community is in the top 50 regional/remote communities across the country in regards to student participation and success in university. This highlights our school value of 'Success' for the many students who have gone on from Stanhope Primary School, to complete university education. Without the support from school, home and community, this success would not have been possible. Our school will continue to strive to motivate and nurture high expectations and prepare our students to be future ready and we know that families too, will continue to support and encourage their children in the importance of education.

### Remembrance Day

The annual Remembrance Day service will be held at Stanhope Primary School next Friday, 9<sup>th</sup> November. Families and community members are invited to gather at the Memorial Gates for the preliminary part of the service, including the Ode to The Fallen, Last Post, Reveille, Raising of the Flag and the Laying of Wreaths. This will be followed by the speakers and presentations in the Centenary Building of the school. There will be a barbeque lunch provided by the RSL and prepared by Bill and Anita Hageman, for those who wish to stay on.

# Stanhope Community Carols.

Dear Parents / Guardians,

It is time again to showcase Stanhope Primary’s great students and their singing talents at the Community Carols which take place in the town’s centre.

This year we have been invited to perform again on **Friday 14<sup>th</sup> December**. We will be performing three songs on the night. This permission slip is for students and families to commit to performing on the night because I need to know definite numbers before deciding if we will be involved or not. If there is not enough interest and commitment then the students won’t be performing.

At this stage I am unsure of what time students will be required to perform, but it is possibly the same time as last year- 6:40pm. But I will inform you closer to the event, when I know.

Thank you to students and families for their commitment to the Community Carols over the past years. If you have any questions please do not hesitate to ask.

Regards,

*Sharon Sheedy*

---

I ..... give permission for my child / children .....to attend the Stanhope Community Carols on Friday 14<sup>th</sup> December. The kindergarten children will be performing with the school students.

**I understand that I will be in attendance and supervise my own child/ren on the night.** Sharon Sheedy will only be in attendance to organise the performance items.

Please return this slip by Thursday 15<sup>th</sup> November

# WASTE PIONEERS PROGRAM STANHOPE PRIMARY SCHOOL

## The Program

The Waste Pioneers Program was developed by Veolia, in collaboration with Campaspe Shire Council, to provide waste education in an informative and engaging way for schools in the Shire of Campaspe and Moama council areas. The 6-week program commenced at the start of Term 3 2018 with a presentation from Veolia on correct waste disposal and why it's so important to put things into the correct bin.

The Pitch was introduced to the school and the challenge was for students to create an innovative solution and/or business proposal to a 1.25 litre PET bottle, which is the most commonly disposed of item at Veolia's Materials Recovery Facility (MRF) in Echuca. The MRF collects council's kerbside recycling bins and sorts it into similar materials, which are baled and then sent off to different locations for recycling.

The students attended an excursion to the MRF to learn more about recycling, followed by The Pitch to a panel of judges.

## The Pitch

A major component of the Waste Pioneers Program is The Pitch. The challenge was for students to put their creative hats on and create a solution to PET bottles.

Students presented to a panel of three judges and the judging criteria were: Creativity, Innovation and Presentation. Each category had a total of 5 points for a total of 15 points per judge.

## Prizes

The prizes for the winning schools are:

- 1st Place - \$2,000 of Veolia services
- 2nd Place - \$1,000 of Veolia services
- 3rd Place - \$500 of Veolia services

NewTecPoly in Moama also donated a raised garden bed made out of e-wood to the winning school. E-wood is made from 99% recycled electronic waste, which is then formed into a wood-like product.

## Our School

Our school participated in the Waste Pioneers Program and we had 44 students attend the excursion to the MRF in two groups: Preps, Year 1 and 2; Year 3, 4, 5 and 6.

Our pitch was a multiple purpose clothesline, which reused PET bottles throughout the design of the clothesline.

We scored 38 out of 45 total points.

To members of the Stanhope Community,

One hundred years ago on 11 November 1918, four bloody years of brutal conflict came to an end. Almost 62,000 Australians died fighting for our freedom and in the service of our nation. Each year on this day, Australians observe one minute's silence at 11am, in memory of those who died or suffered in all wars and armed conflicts.

To commemorate the centenary of the Armistice that ended the First World War, the Stanhope RSL Sub Branch will be holding a Remembrance Service on Sunday 11 November 2018 at the Stanhope War Memorial starting at 10.50 am. Everyone is invited to attend and place a wreath or flowers in remembrance of relatives who had served in the Armed services and are now no longer with us.

On the 9<sup>th</sup> of November at 10.50 am in conjunction with the Stanhope Primary School there will also be a Remembrance service held for pupils at the School Memorial gates. This will be followed by a presentation in the Centenary Building of the school and a BBQ lunch will follow.

Parents, past students and members of the public are all invited to attend.
