From the Principal

Week 8 has been another busy one here at Stanhope!

Green Day was a huge success with students enjoying the time they got to spend with each other and students from other local schools.

We had the pleasure of hosting **Playgroup Victoria** on Tuesday for our local playgroup mums and bubs – they looked like they had a wonderful time, a big thank you to Tracey Woods who runs the fabulous program right here at Stanhope Primary.

Smiley Face Fitness is up and running with a lot of wonderful activities being run by the 5-6 leaders. Tennis in particular was a huge hit on Tuesday. I look forward to seeing what the next round of activities brings.

Did you see our video on Facebook? The student leaders did a fantastic job showcasing behaviours that we want to see here at Stanhope in the playground and eating areas. Follow our **Facebook** page for regular updates showcasing the wonderful things happening here at SPS.

Our **School Wide Positive Behaviour Focus** for the coming fortnight will be around the **Learning Environment**. The Learning environment encompasses our values of respect, citizenship, learning and success. The behaviours we are looking out for are: active listening, moving around safely, taking care of belongings, working cooperatively, considering other people's feelings, being organised and using positive self-talk. Student leaders will create a video to highlight the behaviours we are looking for in the learning environment. Which we will share with the school at Assembly next week.

There are some really great podcasts out there for kids and parents. One I have recently discovered is Maggie Dent's **PARENTAL AS ANYTHING** it is a great Podcast with lots of information to navigate the crazy world of parenting.

Highlight

Monday's weather was absolutely beautiful and as I headed out with the 3-6 for a game I decided that it was a great day for me to join in, little did I know that the skills I was up against were fantastic and I would be very, very exhausted trying to keep up! As well as the laughter of the students it was wonderful to hear great encouragement, sportsmanship and comradeship come from the teams. I was really proud of the way they treated each other.

Have a great week everyone. Mrs Pearce.

At Stanhope Primary School we welcome families to ask questions, share concerns or information we might need about your child/ren through making a time with the principal or their child's teacher. You can now do this via 'Conversations' on uEducateUs as well as the more regular channels.

PARENTS

Please note that permission forms & money need to be returned to the school prior to the day of the excursion or your child risks not being able to attend.

Forms are unable to be printed out on the day of the excursion, so parents & guardians will have to handwrite missing permissions on the day of the excursion.

Thank you.
