## From the Principal

### Parent/Teacher Interviews

Thank you to all families who attended our Parent/Teacher Interviews this week. We trust that you found them informative and provided both parties with the opportunity to come together to discuss each student's progress and goals. For those families who were unable to attend at their scheduled time, please contact the school so we can arrange an appointment for next week.

### NAPLAN

Our Year Three and Five Student NAPLAN Results have arrived. Most families received these during the parent teacher interviews. If you have not received your child/ren's yet, please contact the school to make a time to discuss and collect these results.

## Kyabram Visit

Yesterday our Year 5/6 students visited Kyabram P-12 College for the morning. They were given a school tour and had the opportunity to participate in a Home Economics Class- getting to taste their creations for morning tea. From all reports, the students had an enjoyable morning. A reminder that our Year 6 students will participate in the District Transition Day on Thursday September 13<sup>th</sup>; if catching the Kyabram bus on this day you need to let us here at the school know so we can pass on your details to the college.

## No Hat- No Play

A reminder that all students are required to wear their school hat when playing or participating in outdoor activities. Those students without the specified hat will have to remain in the undercover shaded area.

## Lost Items

We seem to be accumulating a number of jumpers, lunch containers and drink bottles. Named items are returned to their owners, however, it is the unnamed ones that we have laying about. Could all families please ensure that they name jumpers, lunch containers, hats and any other items that come to school. As labelling often fades, it might be timely to check items and relabel as necessary.

## eSmart Week

This week is eSmart Week. On Tuesday morning our senior class participated in an online forum that discussed cyber safety and how best to stay safe online. This forum was devised by the Department of Education and Training and aimed at providing our students with the knowledge and skills needed to ensure they are cyber safe.

## Waste Pioneers

**LILY:** Last week on the 29th of August our school went to Veolia. We learnt about recycling. We also went to the library but before the F-2 class went to the shed where all the machines are. When the girls at the library read us two stories, then we went to a very big playground for lunch. After that the 3-6's and us went back to school. We got a card to join the library and a pencil from Veolia.

**DECLAN:** On Wednesday in the morning, I went to the MRF and we learned to put the right things in each bin and how the machines work. We saw how the cardboard machine works.

**ELAYNA:** We went to have a look at all the recycling.

**REAGHAN:** We went to the recycling centre. We looked at some machines. We learnt that you can recycle bottles and cans.

**CHARLIE:** Sam showed the P-2 class around to the truck where they loaded up. The bales were made out of aluminium, cardboard, paper and plastic. Sam taught us about the machines at the Echuca recycling centre in 2018.
