REMINDERS & THINGS TO DO

REMOTE & DISTANCE LEARNING

Below is a sample of how our wonderful students are posting their work evidence to Class Dojo.

DATES TO REMEMBER

PLEASE DON'T FORGET TO USE HAND SANITISER WHEN YOU COME TO THE SCHOOL FOYER & TOUCH AS LITTLE AS POSSIBLE.

From the Principal

Congratulations!

Congratulations to ALL our parents out there who have approached this whole new regime of schooling with such enthusiasm and gusto!

It's not easy suddenly having to be part of the online world, when connections drop out and apps won't load, and kids, animals and other household members needing organising for another appointment at the same time!

Call me at the school or on the school mobile if you're stuck. I can't guarantee I can solve the issue, but together we might just get things figured out. I've joined some morning catch-up sessions and have been so impressed with students and their families who join in. I'm sure the students enjoy seeing each other every morning and just knowing that everyone is still there. When we are in own household spaces, it can be hard not seeing and being with our classmates everyday . The morning catch-ups are a great way to overcome this.

Stay safe everyone!

At Stanhope Primary School we welcome families to ask questions, share concerns or information we might need about your child/ren through making a time with the principal or their child's teacher. You can now do this via 'Conversations' on uEducateUs as well as the more regular channels.

PARENTS

Please note that permission forms & money need to be returned to the school prior to the day of the excursion or your child risks not being able to attend.

Forms are unable to be printed out on the day of the excursion, so parents & guardians will have to handwrite missing permissions on the day of the excursion.

Thank you.

FROM THE

**Business
Manager**

Mica will still be in the office on Tuesdays and Thursdays. I am happy to discuss confidential payment options for fees or camps and excursions with you.

REMOTE & DISTANCE

LEARNING

Some Basics For Families

- ◆ You are already doing enough.
- ◆ You do not have to be a teacher.
- ◆ You do have to be kind to yourself.
- ◆ School is now flexible. You can choose when your kids do their work if you need to. Or when they are able to access the internet.
- ◆ We know routines are important, but sometimes they come second place when the routines create unnecessary stress for the family.
- ◆ You can ring Principal Christine if you need help.

Class Dojo

To find what your child/ren have to do:

- ◆ First, go to **Portfolios**. Read and do whatever is asked there.
- ◆ Then, go to **Class Story** and follow any further instructions.
- ◆ Students can then upload their completed tasks to their portfolio.
