

# Stanhope Primary School

Stanhope Primary School is committed to creating and maintaining a positive and safe learning environment, where our children are protected from abuse and where we maximise individual academic and social growth through explicit teaching and taking responsibility for all our learning.

## REMINDERS & THINGS TO DO

### P-2 Students

What do you need to bring back to school next Tuesday ?

- ◆ All school supplies (eg. Pencil cases)
- ◆ All work books & hard copy workbooks
- ◆ Home learning packs
- ◆ Finished work

### What Will Going Back to School Be Like?

For many students, returning to real school will be very exciting, but very possibly, just a little bit bewildering too.

Students may feel they need to re-connect with classmates after these last ten weeks or so.

Our teachers will be making sure that the transition back to 'real' school is gentle and not rushed. Time will be allowed to re-connect with the whole school environment. Plenty of reassurance will be provided both to students and parents. There will be increased movement and exercise breaks, and focus on the 'how' of re-connecting with friends and teachers.

Stanhope Primary School wants to reassure families that we will be paying attention to children's moods and emotional needs during the return to school period & responding with strategies which will support growth and resilience.

## DATES TO REMEMBER

### Monday 25th May

- ◆ PUPIL-FREE DAY to prepare for students' return to school

### Tuesday 26th May

- ◆ Preps, Grade 1 & Grade 2 students will return to school

### Tuesday 9th June

- ◆ Grade 3-6 students will return to school

- PLEASE ONLY ENTER THE SCHOOL IF NECESSARY VIA THE MAIN ENTRANCE.
- USE HAND SANITISER WHEN YOU COME TO RECEPTION.
- HAVE YOUR TEMPERATURE TAKEN AT THE RECEPTION WINDOW.
- TOUCH AS LITTLE AS POSSIBLE.

# From the Principal

## Return to On-site School

Most families are wanting to know the details of what is happening next week. Following are brief dot points to make it easier to quickly understand what will be happening. Please be aware that there will be a significant focus on safety measures to minimise the risk of transmission of COVID-19.

Stanhope Primary School is following the advice from the Department of Education and Training including, [Health and safety advice for return to onsite learning in the context of COVID-19](#) which can be found on the Department's [Coronavirus \(COVID-19\) website](#).

## The Essentials

- All prep, grade one and grade 2 students will return to on-site teaching and learning on Tuesday 26<sup>th</sup> May.
- Grades 3-6 students will continue to be provided with remote learning at home until 9th June.
- Grade 3-6 students return to on-site teaching and learning on Tuesday 9<sup>th</sup> June.
- All students will enter via the main front doors on arrival. They will be temperature checked and provided with hand sanitiser before proceeding to their classroom to put away their bags and await direction from their teacher.
- As per Department advice, we request parents not to enter the school grounds. When delivering your children to school, please do not congregate in the car park, but simply drop off your children, & depart the car park.
- For the remainder of term 2 there will be no reading with children before school. We encourage families to do daily reading at home with all their children.
- Prep, One, Two students must bring back all school supplies (pencil cases etc), all work-books, home learning packs, hard copy work books or work that has been completed.
- Prep, One, Two students should also bring their snacks, lunch and drink bottles as previously.
- Students will be discouraged from using drink bubblers, but rather bring their own drink bottles which can be refilled throughout the day.
- We ask that students do not bring sports equipment and other items from home that are not directly essential for their daily learning.

**Christine  
Owen**

Now that we have definite dates for students to return to school, make sure your child is well prepared by establishing or re-establishing school-day routines and schedules.

- ◆ Get up, have breakfast and be dressed in time for a 8.45am school day start.
- ◆ Make sure tasks are completed before a break.
- ◆ Continue to complete set tasks after a break.
- ◆ Remember, all tasks are being used to form the basis for student reports by the end of term.

## Café Lunch Orders

**Have been cancelled for  
Wednesday 20th May and  
will resume from 17th June.**

**NEW PRICE LIST ATTACHED**

**CONTINUED FROM PAGE 2**

## Further details

We have published a COVID-19 Return to School Policy, which contains greater detail of how our school will be responding to the COVID 19 conditions and managing day to day operations at our school, on our website. Copies are available at the office or can be emailed out, or sent via uEducateUs on request.

- All unwell staff and students **must** stay home.
- Parents/carers of students with complex medical needs (including those with compromised immune systems), should seek advice from the student's medical practitioner to support decision-making about whether on-site education is suitable, noting that this advice may change depending on the status of the coronavirus (COVID-19) pandemic in Victoria. This is in line with the [DET Health Care Needs](#) policy.
- Families must ensure the school has the most current asthma and other medical plans and advice for staff to be able to provide the most appropriate first aid response, should the need arise.
- Visitors to school grounds will be limited to those delivering or supporting essential school services and operations (e.g. student health and wellbeing services, specialist curriculum programs, maintenance workers).
- All adults will be expected to follow and maintain physical distancing as indicated by markers or signs, and by keeping at least 1.5m apart from other adults where no indicators are in place.
- Routines throughout the school day will place a heavy emphasis on transitioning our students back into the school routines.
- Substantial focus will be placed on hand washing before and after many events throughout the day. These include, before entering and leaving the school building at any time; before and after PE; before and after using laptops, together with wiping down of devices; as well as a wide range of other daily actions that take place, in addition to the expected hygiene practices such as before and after eating, nose blowing, after using the toilet.

**It will extremely important to keep up to date with what is happening over the coming weeks and I encourage everyone to monitor and respond to notifications and alerts from uEducateUs. This is the main platform where information will be provided about school events and any actions that families may need to take or prepare for.**

## SEMESTER 1 STUDENT REPORTS

---

Dear parents and carers,

I am writing to provide an update on changes for the Semester 1 student reports at Stanhope Primary School.

The Department of Education and Training has adjusted the expectations of Student Reports for Semester 1 in recognition of the transition to remote and flexible learning during Term 2.

While our school has continued to deliver its teaching and learning program and monitor the achievement and progress of each student, there have been some unprecedented changes to our usual program.

At Stanhope Primary School we know it is vital to involve students and their parents/carers in learning. This process includes providing reports on student learning.

Stanhope Primary School will provide a written report for the parent/carer of each student enrolled at the school for Semester 1. The reports will include information on student achievement for each curriculum area taught, however, there are some changes from our usual Semester 1 reports.

Student reports for Semester 1 2020 will include:

- a description of the areas of the Victorian Curriculum F-10 taught
- comments regarding student learning achievement, based on the Victorian Curriculum F-10 for the subject areas taught
- a comment on how the student has adjusted to the remote and flexible learning environment.

Stanhope Primary School will not be including teacher judgements and a five-point scale due to the unprecedented changes to our program due to COVID-19. We will report on progress at the end of the year.

If you have queries regarding your child's report, parents/carers may contact the Principal or your classroom teacher by phone, email, uEducateUs or SMS to the school mobile to arrange an appropriate time to discuss this further.

Thank you for your continued support during remote and flexible learning.

# Kids and Worry

CCS Family and Relationship Services Shepparton  
is running a series of webinars on Kids and Worry

During this ZOOM webinar we will explore the reasons why children worry and ways parents and carers can support them. It will include ideas as well as practical tools to assist children to manage their worries.

## **Term 2, 2020**

### **Morning:**

Monday 15<sup>th</sup> June, Tuesday 16<sup>th</sup> June, Monday 22<sup>nd</sup> June, Tuesday 23<sup>rd</sup> June  
10:30am-11:30am

### **Afternoon:**

Monday 15<sup>th</sup> June, Monday 22<sup>nd</sup> June  
2:00pm-3:00pm

### **Evening:**

Tuesday 16<sup>th</sup> June, Tuesday 23<sup>rd</sup> June  
7:00pm-8:00pm

CCS Family and Relationship Services Via ZOOM

**Groups are subject to maximum and minimum numbers determined  
ten working days prior to the commencement date.**

**These webinars are free of charge but you MUST register your place.**

For registrations contact Fiona on 0438 744 953 Mon-Tue & Wed morning  
or Sarah 0477 358 071 Mon-Fri.

Or email contact details and best time for contact to Fiona or Sarah at [shep@ccds.org.au](mailto:shep@ccds.org.au)

Please note all sessions are the same.
