Preps, Ones and Two's Return!

The chattering from the children as they entered their classroom for the first time in 10 weeks or so, was almost deafening! Everyone was excited and pleased to see their classmates again, face to face. Their first hour and a half was with Mrs Sheedy, who took them through the routines required as part of our school's response to COVID 19 safety measures. A huge and ever present part of new school routines and procedures, will be **HAND WASHING!** You've seen the ads! Hand washing after every new activity.

Then it was off to library with Mr Bragge. And again, you guessed it, **MORE HANDWASHING!** Next week, it will be Art with Mr Pettigrew. Both our Library and Art specialists have incorporated new systems and routines, to ensure good hygiene practices and to minimise the risk of the spread of any germs.

Students were really happy that they could now play on their playground equipment as, of midnight Monday, public playgrounds are now open and so, as a consequence, our school playgrounds are also.

Access to School

As part of Department directives, parents should not be entering the school building when dropping off or collecting students. The signs at our gates and entrances are for the protection of our staff and students. Thank you to those who have adhered to these new requirements.

Assembly

As per Department directives, there will be no school assemblies in their previous form. We are looking at other forms of holding our school assemblies and will let everyone know, once that is worked out.

Stay safe everyone!

2020 Learning from Home Surveys

Parents will receive on-line surveys today on UeducateUs. Your responses will help us monitor how parents feel about their child/ren's remote learning experience and highlight how we can best cater to each student's needs.

Please complete these at your earliest convenience.

Thank you.
