From the Principal

Weekly Assembly

Last week we held a practice assembly using WebEx, to see whether this was a feasible option for our school community. We worked out a couple of minor improvements, but all went well. So, from this Friday, we will send out the WebEx link on Class Dojo, so that families can join in and watch the assembly take place. We will hold the assembly at the earlier time of 2.30pm tomorrow, so that families can watch at home and have time to come down afterwards to collect their children. Next Friday, being the last day of term, the assembly will take place at 1.40pm. At this stage, unless advised differently, we will continue with WebEx assemblies into term 3.

Semester Reports

Student reports will be published next week on uEducateUs to individual families. These reports will be descriptive in nature and not contain progress scores indicating change from this time last year, as with all previous reports. There may be some reports, which include attachments indicating achievement in specific curriculum areas.

Farewells

Sadly, we say farewell to two students today. Both families are leaving the Stanhope area for opportunities further afield. We wish Bodhi and Denem and their respective families, the very best in their future endeavours.

COVID Safety Measures and Items from Home

Please avoid sending unnecessary items to school with students for play. These items then get handled by many hands and increase the risk of any spread of the coronavirus and other germs. Items such as lip balm or gloss have been shared and this increases the risk of transmission via droplets and saliva. This is very important as we move into the winter season where many children succumb to colds and flu. Even more importantly, that students do not bring any make-up type items to school at all.

STUDENTS ARE ALSO REMINDED NOT TO SHARE FOOD.

Healthy Food for Kids

There has been a noticeable increase in the amount of confectionary items that students are bringing to school. Lollies, chocolates and other sugary foods sent as treats should be replaced with healthy options such as fruit.

Know parents needing literacy support?

Lots of parents struggle with their own reading and writing, but don't know where to go for support. The Reading Writing Hotline is a free national phone service that puts adults in touch with the help they need.

- Our phones are answered by specialist teachers who can help find the most appropriate classes, tutors, or learning materials.
- We have a national database of classes, tutors and online help

Many parents make sacrifices for their children's education but are embarrassed about their own learning needs. Sometimes people just need to chat and get advice about literacy issues. The Hotline is celebrating its 25th anniversary this year and in that time has helped over 160, 000 adults to find literacy and numeracy classes.

As an organisation that works with parents, we want to let you know about our information and workbooks for parents, such as

- spelling
- writing for the workplace
- filling in forms and writing school notes
- reading to your child

Help us to reach more people in need.

Partner with the Hotline:

- Include information on the Reading Writing Hotline in your newsletters
- Link to our Facebook page, videos and website  Like us on Facebook
- Share our videos
- Display our poster and brochures.
- Email us/call us for more information about how we can work with you

Parent Occupation & Education Data

Dear Parents/Guardians

It is necessary to keep our family database updated and we ask for your assistance by completing and returning this form. This information is required for the census at the start of August.

We are requesting confirmation of **parent/guardians' occupations and education levels**. Like all government schools, a component of our government funding is based on parent occupation.

This information is strictly confidential and is only collected to provide a statistical number to the government to potentially allow for additional funding.

Please do not overstate your occupation, as this could adversely affect the amount of funding we receive. The amount of funding we receive determines the quality of resources and educational programs we are able to provide for our students. Also note that if we are not advised of your occupation, we must categorise you in the group that attracts the least amount of funding. You will find a comprehensive list on the back of this letter. If your occupation does not appear on the list and you require some assistance please don't hesitate to call.

Thank you for your cooperation. For your convenience, your child can return this form to the Office. ***Even if your information has not changed, please sign and return the form for our records.***

Also, if your personal circumstances have changed for any reason, please advise us on the form on the reverse, where indicated.

We request that this form is returned no later than Thursday 16th July.

Please do not hesitate to call the school on 5857 2514 if you have any queries.

Yours sincerely,
