From the Principal

Welcome!

On Monday, we welcomed Joel to our school. Joel's sister Amelia is in the P-2 class. We wish Joel a very successful transition into our school and his class. Joel is in grade 4.

Invasion of the Oldies!

Yesterday our school was host to a large number of 100year olds! It was quite a sight! You can see what I mean on the next page.

School Photos

There have been a couple of questions about if and when students will have their photos taken. The photographers have let us know that this will take place on Monday 31st August. The arrangements will be somewhat different due to physical distancing and hygiene requirements. There will not be any group photos, only individual photos. There is no specified time of day when the photos will be taken, that will depend on the photographers schedule for that day. Any further information will be announced in the newsletter and uEducateUs.

Teacher Changes

As of the 10th August, Mrs Foley will be on leave and Mrs Feldtmann will be teaching in the grade 3-6 class for the remainder of the term.

Transition

Kyabram P-12 College's District School Transition Day will be held on **Tuesday, September 8**. This day is designed to help future the students feel more comfortable with the transition to the College and develop relationships with their new teachers and students from other district schools. Students who are still considering their secondary school options are also welcome to attend the day.

On the day, students are encouraged to travel to and from the College on the district bus service. There will be teacher ready to meet them and take them to The Year 7 Community Area when they arrive on the bus. Kyabram P-12 College's bus coordinator, Diana Archer, will contact families and let them know about their bus details.

On the day, students will need to wear their uniform, bring their pencil case, water bottle and a snack. Lunch will be provided.

Thanks to all the families who went to great lengths with the costumes!

We All Turned 100!

Then & Now with Ms Owen

This term, students in the 3-6 Class are looking at the book and the series, 'My Place' as part of our theme of Then & Now. Each lesson students provide an 'Exit slip' about what they have learned or wondered during the lesson. I am super impressed with some of their thinking! Last Wednesday, we measured out 50 metres to represent the length of time of Aboriginal custodianship and, to scale, 22cm to represent white settlement. Check out some of their wonderings!

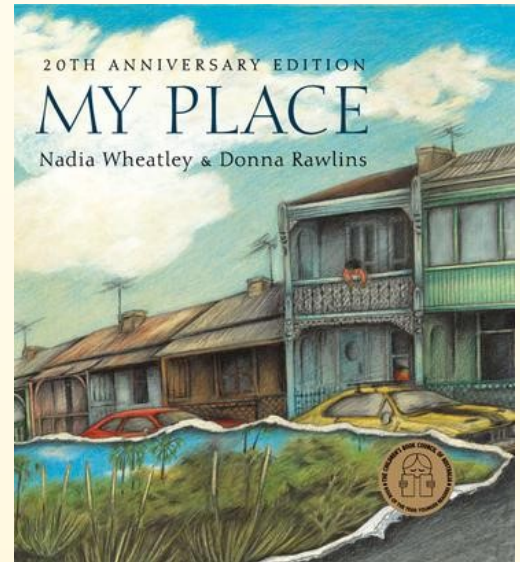

Why did most of the aboriginal people live in the bush?

Why did the white people take over?

How did aboriginal people survive so long?

Why were we so rude to the aboriginal people?

How long have white people been in Australia?

SCHOOL CROSSING SUPERVISOR POSITION

Campaspe Shire Council is looking for a school crossing supervisor for our school crossing.

The position could be a possible job share or may end up being 5 days a week.

All training and uniforms are supplied.

Hours are approximately from 8.00 am - 9.15 am and from 2.45 pm - 3.30 pm. Monday through Friday.

Please contact the school with your details if you are interested and we will pass them onto the council.

The Council is looking for a local Stanhope person if possible.

Please Be Aware that **ALL** school events, such as camps, transition visits, sports and other events that involve mixing with other schools and groups, cannot currently go ahead. We need to continue to plan for events on the assumption & hope that these events may be able to proceed later in the year.

We continue to follow all relevant DET & DHHS advice concerning all operational decisions. Thank you for your patience and understanding in these matters.

Campaspe—Get Tested Now!

Calling on all rural and regional areas -

Any symptoms - get tested. It's not over yet.

Now, more than ever we need all Victorians - no matter where they are - to be vigilant; adhere to physical distance guidelines, maintain hygiene practices and crucially they must get tested if they have any symptoms, and stay at home.

No matter where we live, we all have a crucial role to play in getting on top of this. And we need everyone to help.

We must all play a part in talking to our family, friends, neighbours and communities to ensure that they all understand what is at stake and what they have to do - no matter how hard.

The behaviour is clear: Any symptoms - get tested.

It's important to get tested for coronavirus at the first sign of any symptom and stay home until you get your result.

DHHS is working with local organisations to **increase access to symptomatic testing.**

The **testing sites for Campaspe** include;

Echuca Regional Health - 9:30am - 6pm, 7 days per week via Emergency Department entrance.

Kyabram District Health Services – Drive through clinic 9.00 am to 11.00 am daily (including Saturdays and Sundays)

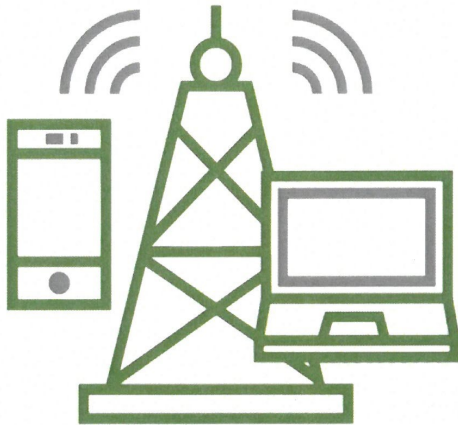

Surrounding area clinics include;

Bendigo Health - 10:00am - 5:30pm, 7 days per week. Walk in clinic.

Bendigo Latrobe University Rural Health School - Enter via Mercy St, Bendigo 7 days: 10am-5pm Drive-through clinic.

Goulburn Valley Health - Testing is now taking place in front of the ambulance zone of the new Emergency Department in Graham Street. Open daily from 10:00am - 5:15pm

Northern District Community Health -By appointment ONLY. Monday - Friday in the afternoon. 5451 0200 (Kerang, Cohuna, Boort, Pyramid Hill and Koondrook)
