REMINDERS & THINGS TO DO

COVID Contact Tracing for Visitors & Families

All visitors and adults MUST enter via the main front door and only when on essential school business.

They must also wear a mask, use hand sanitiser, have temperature taken and sign the visitors book for contact tracing.

There has been a noticeable decline in students wearing correct uniform to school. Full school uniform **MUST** be worn to school each day, including school hats. All students were given a free school hat at the beginning of the year. Caps and other head wear are not acceptable for school. P-2 Movie Night

The annual P-2 Movie Night will take place next Thursday. Details were in last weeks newsletter and again in this edition. Procedures for the drop off of food and belongings and for collection will be more structured and in accordance with COVID-19 precautions.

- ◆ **Please send all food and belongings with your child in the morning. Parents cannot drop these items off after school.**
- ◆ **Please label all food items with student's name.**

Food will be stored in the fridge if required. Families will be asked to wait either in the foyer or in their cars until their child is ready to be collected. We will call or text you when your child is able to be collected.

We appreciate your understanding in these matters.

School Photos

Photo packs are being sent home with students, this afternoon. There are examples of the types of photo packs available enclosed in the packs.

Photos will be taken by MSP Photographers, next **Friday 6th November**. We do not have a specific time when the photos will be taken as this depends upon the time taken at other schools.

Please make sure your child is dressed in full school uniform on the day.

Items From Home

As part of the precautions for Victorian Schools, items, sports equipment and toys from home should not be brought to school. This avoids unnecessary handling amongst students and thus reduces any risk of possible transmission of the coronavirus. All unnecessary items brought from home will be stored for the day and sent home at the end of the day.
