REMINDERS & THINGS TO DO

COVID-19 UPDATE

QR code requirements in schools

The use of Service Victoria QR codes for electronic record keeping is mandatory for all workplaces to enable the effective contact tracing of any COVID-19 cases. This now includes all education sector workplaces, including schools.

QR codes will be required to be used by:

- all parents who enter buildings when on the school site
- all visitors, including contractors, external Department staff and building and maintenance staff

QR code check ins will not be required for staff or students.

All building entry and exit points will now display QR code posters.

If you are required to enter buildings on school grounds, for whatever purpose, you are now required to use the provided QR code check-in.

If you are not able to check in using a smartphone or tablet, a Kiosk check-in service is available at the front office.

Using the QR code system does not replace the existing requirement to also sign in at reception. Thank you for your support and understanding of this important health information.

Term 3

Term 3 resumes on Monday 12th July. Our curriculum work will be centred around 'Fairy Tales, Nursery Rhymes, Myths & Legends'. Watch out for some fantastic work over the term!

School Crossing

As you know, the Shire of Campaspe have been advertising for a school crossing supervisor, to ensure the crossing has a permanent and reliable supervisor. Occasionally, there has been no one available to supervise the crossing despite exploring all options. By the time the school is advised of this, it can sometimes be quite late. School staff will then go out to supervise as soon as this is possible. Please be aware, that school staff are not permitted to enter the crossing in the capacity of a crossing supervisor, but will direct students when it is safe to cross. The Shire is hopeful of having a permanent crossing supervisor in place by next term.

Road Safety

Further to the previous item, school holidays are an excellent time to refresh and revise your child's road safety awareness and skills. Practice and remind whenever you are out and about so that your child is not totally reliant on you or crossing supervisors, but are able to judge traffic conditions, know the traffic rules, when it is safe to get in and out of cars etc. Road safety is something that is part of all of our everyday lives, so it is crucial that children have the knowledge and skills to operate as safely as possible at all times, not just at school.

Grade P-2

Mrs Sheedy

KIALLA-

It was a fun day and the class were ready to do some Science. It was fun for me because I liked when we put the pepper and the washing liquid together.

LENNY-

P-2s were about to have lots of fun. We used bread and vinegar to make poo at Stanhope Primary with Mrs Sheedy.

AYVEE-

Last week me and my friends made things pop into the sky. We used an Alka-seltzer tablet with water. It popped in the sky. But some didn't pop!

COOPER-

Me and my friends made tiny rockets, on Wednesday at school, to have fun. They went 5 metres off the ground.

AMELIA-

All of the P-2s were doing experiments about the digestive system. My favourite part was making poo out of bread, water and vinegar. It happened on Wednesday to learn about my digestive system, in the classroom.

Congratulations to Grade 3/4/5/6

The class who did a fantastic job during the Term Two Times Table Challenge!

Twice a week students wrote the answers to a page of times tables and tried to increase their personal best scores.

By this week the class of 17 made a combined increase of 905!

Yellow Team (Declan, Miley, Charlie & Chelsea) won with a combined total of 256 points & enjoyed the lunch Mrs Foley shouted them as a reward.

Extra congratulations go to the 3/4 & 5/6 highest achievers which were Ashton with a score increase of 84 & Sienna with a score increase of 91!

Come and
celebrate at our
**Community
Open Day**

A hundred years on, milk is still flowing through the veins of our Stanhope factory and great tasting dairy still rolls off the line.

We want to celebrate 100 years of dairy history with our people, our farmers, their families, and our community.

The day will be filled with fun activities and food for the whole family to enjoy. We'll look back at a century of great dairy, and open up our cheese plant doors so you can take a look inside.

- Factory tours – closed shoes essential
- Historical display
- Jumping castle and face painting
- Butter making and cheese tasting
- BBQ lunch
- And much more

SCHOOL BUS PROGRAM

This is a reminder to parents regarding the conditions of school bus travel as outlined on the application form. Please be aware that school bus travel is a privilege not a right.

Conditions of Travel

To ensure the safety of all passengers on school buses, the following conditions apply at all times.

To ensure safe travel on school buses, students must agree to the following:

- Not to play on the road at the bus stop or try to get on the bus before it has stopped.
- Make sure you and your belongings are inside the bus at all times.
- Not throw anything from a bus window or have anything hanging out a window.
- Place bags and other belongings in the allocated storage areas.
- Get on and off the bus quietly and in an orderly manner.
- Stay in your seat while the bus is moving.
- Not distract drivers with screaming, shouting or unruly behaviour.
- When you get off the bus only cross the road when the bus has left and it is safe to do so.
- No dangerous or flammable goods are allowed on the bus, for example aerosol cans.
- Travel on the bus service allocated to you, to and from your approved bus stop only. Do not change to one that will take you to a sports or social event.
- Wear a seat belt where fitted.

To ensure students are considerate to one another and their bus driver, they must agree to:

- In the morning, arrive at the bus stop 10 minutes prior to departure.
- Not eat, drink or smoke while on the school bus.
- In the morning, let the school and driver know if you will not be travelling home on the bus that day.
- Use a standard conversational tone and not use offensive language or call out to others on board or to passing traffic or people.
- Listen to the bus driver and bus captain. They are responsible for maintaining school bus safety and also have the authority to report any vandalism or misbehaviour including but not limited to bullying, teasing, or aggression.
- Leave your bike in a safe and secure place if riding to the bus stop. Public Transport Victoria and the Department of Education and Training are unable to accept responsibility for the safety of your bike.
- Behaving inappropriately on a school bus places the safety and wellbeing of all on board at risk.

Non-compliance with any of the above conditions may result in the following:

- The driver will stop the bus.
- The student's name and full details of the breach will be recorded.
- The student will be transported to school or to their normal drop off.
- The breach will be reported to the coordinating principal.
- The coordinating principal will take disciplinary measures in accordance with the guidelines below.
- In rare and exceptional circumstances, and only as a last resort, drivers are authorised to eject passengers from a bus.

Following the report of a relevant incident, the coordinating principal may take the disciplinary action below:

- First offence – verbal warning to student.
- Second offence – written warning to parent/guardian.
- Third offence – one week suspension of student from school bus travel.
- Fourth offence – the student will not be allowed to travel on the school bus for the remainder of the year.

A serious offence that endangers other students, bus staff or property will result in immediate suspension.

Responsibilities of parents/guardians

- Parents/guardians are responsible for transporting their children to and from authorised bus stops and their safety at the bus stop while waiting for the bus.
- Supervision is not provided at roadside stops. Parents/guardians are responsible for their children upon disembarking the afternoon service.
- Parents waiting for bus passengers at a roadside bus stop should wait on the same side of the road as the bus to prevent accidents.
- School bus travel is a privilege and not a right and consequences will follow a breach of these conditions.
- It is understood that bus travel is provided and accepted on these conditions.
