What a way to start!

Welcome to our week 7 newsletter. Not how I imagined starting my first role in a Principal position; but here we are and as always, we will go with whatever is thrown at us. Although not the normal school week I have had an opportunity to meet some parents and more students when work packs have been collected. It has been nice to meet you and the supportive words have been a great encouragement.

A little about me, I have been teaching at Kyabram P-12 College since 2010. During that time, I have taught 3/4, 5/6 and have been the 5/6 Community Leader since 2015. I originally grew up in Tongala, my Mum and Dad still run a farm out there now. My family consists of my wife Sarah, also a teacher at Kyabram P-12, son Lucas (Gr 2), daughter Zoe (Gr 1) and Maya (4). Outside of school I used to love playing football until a knee injury in 2019. I used to play for Lancaster, but please don't hold that against me.

Last week I was fortunate enough to spend Monday afternoon in the school getting introduced to the students and spending some time getting to know them on yard duty. It was great to see the 3-6 students in Kyabram at the district Athletics on Thursday doing their best.

Wellbeing

In these times one of the most important things is self-care and maintaining our wellbeing. I find myself needing to remember that the little people around us are 'sponges' and pick up on the emotions we are both containing and expressing. It is important to remind ourselves, and little ones, that it is perfectly fine to feel the emotions and acknowledge them. We then need to be aware of how those emotions are impacting our behaviours.

In essence, please make sure you all take the time to look after yourselves and the others around you. Take care and hopefully I will see you all dropping your students off and all students on site next Friday (fingers crossed).

FROM THE

Business Manager

Mica will still be in the office on Tuesdays and Thursdays.

I am happy to discuss confidential payment options for fees or camps & excursions with you.

Absences / Early Collections

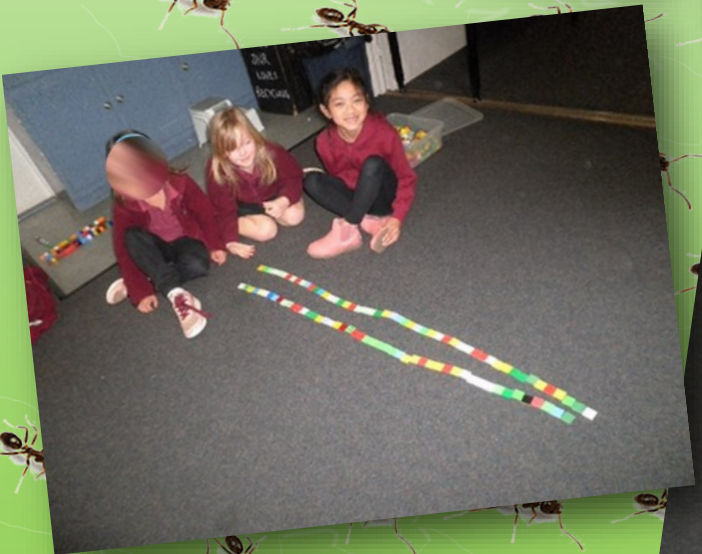

Please make sure that for any planned absences or early collections, **the school is notified via text, Class Dojo message or phone message.** If there is no answer on the main phone, please leave a voice message.

Grade P-2

Mrs Sheedy

To finish off the Numeracy unit about division and sharing, we read the story "One Hundred Hungry Ants".

In small groups we had to arrange our ants' (blocks) like the story. The ants decided to arrange themselves in more efficient ways so they could get to the picnic quicker, rather than walking in a long line.

Old Worlds, New Worlds, Other Worlds.

BOOK WEEK 2021

The graphic features a light brown, parchment-like background with a blue compass rose in the top right corner. Below the main title, the text 'BOOK WEEK 2021' is centered. At the bottom, there are three circular icons: a blue circle with a white book icon, a green circle with a black rocket icon, and a yellow circle with a black dragon icon.

ENROLMENTS 2022

Enrolments for 2022 are now open for our school. Parents or carers can contact the school to speak with the principal, or to collect an enrolment pack.

Due to COVID-19 restrictions, we apologise that school tours are not permitted at this time.

Congratulations to P-2 class who have earned a

FREE-DRESS DAY

on a date to be rescheduled with their fantastic effort of collecting 25 stamps as a class to all do the right things! Students can wear anything they like as long as footwear is sensible and sturdy.

It's Concert Time...

This year our concert will be held on Thursday 16th September at 6:45pm for a 7:00pm start. It will be held at the Stanhope Hall.

If we are unable to hold a mass gathering or we are on lockdown, we will have to enact plan B...so watch this space. More details closer to the date.
