Ground Hog Day

Here we go again!
With the unpredictable nature of the current situation, it can be very easy for us all to lose motivation. It has been great to see the level of engagement from both students and families in the education that is being provided.

Well done to everyone on their efforts; staff, students, and families. I am still hopeful that I may get to have a "normal" school week at some stage during my time here but have enjoyed my interactions with you all when I have had the chance.

Curriculum Day

Our school is having Travis Pool, our regional Education Improvement Leader, meet with us to assist in reviewing our current education practice. This will be taking place on Friday the 10th of September, as such there will be no on-site supervision or at home learning expectations (if we are still remote learning). If we are back to face to face learning it will be run as a pupil free day. Thank you for your support and understanding around this important opportunity for our school moving forward.

Thank You

Thank you to Brett Davies who mowed the school grounds this week. Thanks to Skye and Brett who have tirelessly done mowing, weeding and watering at our school over a few years.

It will be held at the Stanhope Hall.
