## Remote and Flexible Learning

Woooooo Hooooooo!!! I will get to experience a little bit of a normal Stanhope Primary School week. 'Little' being the operative word with our youngest students, P-2, able to return to face-to-face learning. With tomorrow, Friday 10<sup>th</sup> September, being a pupil free day already our P-2 students will commence their face-to-face learning from Monday 13<sup>th</sup> of September. At this stage our 3-6 students will still be working remotely. As we find out more information, I will forward this on as soon as possible, so keep an eye on Class Dojo and UEducateUs for updates.

## Curriculum Day

Thank you again for your support around this day, as it is an exciting opportunity to work with Travis from the Education Department. We look forward to implementing our new learning into the teaching and learning your student/s will receive next term.

## Helper Extraordinaries

While remote learning has been a challenge for all. I would like everyone to take time to be grateful for something in their lives that lockdown has helped to facilitate. Personally, I am grateful for the opportunity to get to know the on-site learning students and to have them involved in improving the school grounds.

Over this remote learning period students have been assisting to weed the front garden and we have now managed to plant some other plants in there as well. Thank you to all students and staff for your help with this project. Also thank you to Pauline for your assistance with the planting.

## Mental Health

During these periods of isolation, it is important to remember to take care of our mental health. Today we recognise R U OK? Day. This is an important message for us all to remember especially during these times. Take the time needed to check in on those people in your circle of contacts. There is a flyer in this week's newsletter of a free webinar around supporting your young person's mental health. This is a fantastic opportunity to learn more about how to support your young person/people during this time.

## Interviews

Our *Student, Parent and Teacher interviews* will be conducted on Thursday 16<sup>th</sup> of September. To support the running of these there will be no work assigned through Class Dojo for our Grade 3-6 students and our P-2 students will not be required on site.

Supervision will still be provided for those that are unable to find other arrangements. Unfortunately, with the restrictions currently in place, our interviews will still need to be conducted remotely as we limit the number of people on school grounds.
