# From the Principal

## Final Term of the Year!

I'm sure everyone is pleased that we can have students back on site and 'normal' teaching and learning can proceed. Teachers are finding that often students are struggling to maintain focus and concentration and use resilience skills to help them through everyday obstacles. No doubt, this might well be happening at home too, and manifesting in different ways. If this is happening, it can be helpful to stop the particular activity and take a break outside, then come back when everyone has had a little time to face the task refreshed a little bit.

## Prep, One Two Fun Night!

As you're reading this, our P-2's are having some fun activities at school to celebrate the work they have put in over a very difficult couple of years. So many events and activities have had to be cancelled, so Mrs Sheedy wanted to make sure the P-2's still had some fun!

School-Wide Positive Behaviour Support

## SWPBS

This week we launched another chapter in our ongoing SWPBS actions. Each classroom will have a very visual reminder of how to achieve success by following our School Values of Learning Success, Respect & Citizenship and our Behavioural Expectations of 'Be Open To Learning; Be Respectful & be a Good \Citizen'. The Behaviour Ladder provides opportunities to demonstrate positive behaviours both in the classroom and outside the classroom with everyone starting from the same place on the behaviour ladder.

## Fun Learning Times

The 3-6 class made good use of their maths and coding skills using the Bee Bots purchased as part of the whole school focus on Maths, this year. Everyone in the class enjoyed trying to get the Bee Bots to follow a pathway! Check out the photos further on!
