URGENT HELP

We are in desperate need of
a new school councillor.
*If you can help please talk to
Principal Christine or Mica*

From the Principal

Remembrance Day

Thank you once again to our Stanhope RSL Sub-branch for holding the Remembrance Day service *almost* on our school grounds. Our students had a mini excursion to outside the Memorial Gates to join the community members and public for the service. Two of our students were responsible for the raising of the flag and two other students laid a wreath on behalf of the school community.

A highlight of the service was the donation of poppies by John Hancox from his garden for school and community members to lay at the gates.

A special thank you to Ashton and Will for hoisting the flag in respect, and to Lily and Cooper for laying the wreath at the school gates.

Kinder To School Transition

On Tuesday, Mrs Sheedy and the P-2 class hosted the first of this term's transition visits. Thankfully, due to the easing of many previous restrictions, such visits are now scheduled for the next few weeks and will offer new preps a chance to meet new friends and classmates.

Communications

Included in this newsletter is a small survey seeking your input on how and when you want to be informed about your child's progress in their learning, or in their wellbeing. The subject was raised this week, along with some other valid concerns. The staff and myself are currently working on ways to address those concerns with practical and realistic strategies and actions. We look forward to collaborating with our families.

Buildings Work

Preliminary investigative work began on Wednesday to remedy the plumbing and drainage issues our school has experienced for many years. The timeframe for these and subsequent works is likely to extend well into 2022, but this is a very welcome start.

Extra Classroom Support in 2022

Next year our school will be able to provide additional classroom support, thanks to some government funding. There will be at least 3 classroom support staff, including a tutor, available most days of the week. This will be fantastic for students who need extra help with their work or with students who would enjoy extra challenges in their classwork. After the disruptive last 18 months, this extra support on the ground is most welcome.

FROM THE Business Manager

Mica will still be in the office on Tuesdays and Thursdays.

I am happy to discuss confidential payment options for fees or camps & excursions with you.

The Shire of Campaspe is looking for Casual School Crossing Supervisors in various locations, including Stanhope. These positions would be to cover situations where the regular supervisor is not able to cover their shift/s. Please contact the school or Nick Curnow at the Shire if you or someone you know is interested.

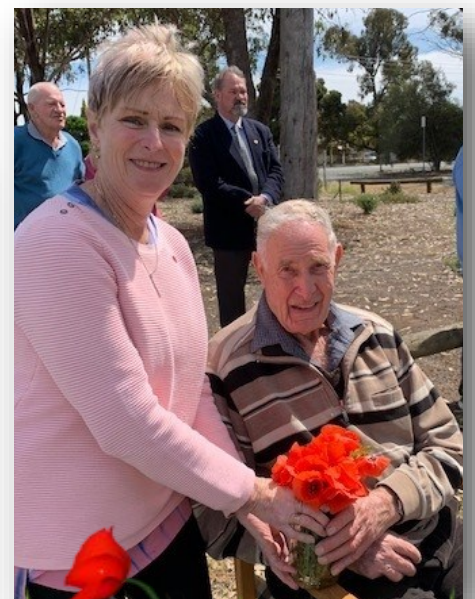

Grade 3-6

Mrs T & Mrs Foley

Our Grade 3-6 students used their handprints to make a beautiful wreath decorated with poppies as they learned about Remembrance Day.

Jody has previous experience in a school environment in Darwin and has worked at Telstra.

She enjoys working with children, and will be working with the P-2 grade.

STANHOPE COMMUNITY CAROLS

...is back on!

Dear Parents / Guardians,

It is time again to showcase Stanhope Primary's great students and their singing talents at the Community Carols which take place in the town's centre.

This year we have been invited to perform again. It will be on Friday 10th December.

At this stage I am unsure of what time students will be required to perform, but I will inform you closer to the event, when I know. We will be performing three songs on the night.

If your child intends on performing on the night- please fill in the form on UeducateUs by 10th November, so that the performance can be organised.

Thank you to students and families for their commitment to the Community Carols over the past years. If you have any questions please do not hesitate to ask.

Regards,

Sharon Sheedy

Due to COVID-19 restrictions, we apologise that school tours are not permitted at this time.

ENROLMENTS 2022

Enrolments for 2022 are now open for our school.

Parents or carers can contact the school to speak with the principal, or to collect an enrolment pack.

Coming Up!

Digital Learning & Safety for Parents

Shortly there will be a series of Zoom webinars for parents who want to know more about what their children learn and do online and who want to improve their own skills and knowledge to be better able to help their children with the many digital learning tasks students undertake.

Links will be sent out via Class Dojo for you to attend over the next few weeks.
