### Inspiring Lifelong Learning

ISSUE 3: February 17th, 2022

#### REMINDERS & THINGS TO DO

#### VISITORS AND VOLUNTEERS

Vaccination requirements for visitors and volunteers performing work in schools have been recently updated.

Visitors, families and volunteers attending any school sites (both inside and outdoors) **MUST be double vaccinated and show proof of vaccination either via the Vic Services App or an issued certificate.** Before visitors and volunteers enter a school building they must:

- ◆ Check in with QR code.
- ◆ Wear a face mask.
- ◆ Be free of COVID-19 symptoms.
- ◆ Provide evidence of their vaccination status to be recorded at school.
- ◆ Adhere to COVID Safety requirements.

We appreciate your support and understanding as we move to a new stage of COVID normal. Further details available from the school upon request.

#### **FAMILY FUN NIGHT!**

This was postponed due to the extreme heat and will be rescheduled soon.

#### DATES TO REMEMBER

##### Friday 25th February

- ◆ ART

##### Monday 28th February

- ◆ LIBRARY

##### Thursday 3rd March

- ◆ Clean Up Day

##### Tuesday 8th March

- ◆ Elmore colouring entries due back

Please make sure your child has a set of working headphones.

These are absolutely

essential for all students when taking the required online tests. Cheap sets can be purchased for \$5 and up. Headphones cannot be shared between students, so each child must have a set of their own.

## Family Fun Night Disappointment

Mrs Sheedy organised Tuesday's Family Fun Night to start the year off with an event designed to meet together as a school community in an informal and fun way. Unfortunately, a combination of factors meant that the event had to be rescheduled. Hopefully, by rescheduling to a different night more families will be able to attend for this fun event!

## Student Voice & Empowerment

This year, our students and I reviewed the Student Leaders Manual in light of the smaller numbers. We revised the leadership team down to two leaders and two possible assistant leaders. As an introduction to persuasive writing and providing a real world and authentic context, candidates wrote persuasive speeches and presented their cases to the whole school student body.

## Focused Learning

This year, our students will be receiving close attention and opportunities for success with the availability and combined efforts of teachers, tutors and classroom assistants. I have been in discussion with the service provider for our wellbeing staff member, and he is hopeful that we will have someone to start within the next few weeks.

This week we have scheduled for our preliminary assessments in English and Maths, to establish starting points for each student. While students have been allocated Home rooms, their participation in Maths and English groupings will be determined in part, by their results in this initial testing. As part of the necessary rearrangement of classes, I am in the classroom with the grade 5's & 6's for literacy and maths, then Home Rooms join up for differentiated lessons in science, technology, music & drama and Project Based Learning.

## RAT's

Students have been sent home with two RAT kits so far, to assist with testing for Covid and then isolating when there is a positive result. The use of these kits is voluntary but it is strongly encouraged to test students twice weekly as a matter of routine. Our classrooms have air purifiers installed and functioning to assist in minimising the risk of spreading the virus.

## Grounds

Our grounds look rather grim at the moment, but the initial stage of the drainage works have been completed and shortly the next stage of installing a pathway around the main part of the school building will begin. This will be followed by restumping. Meanwhile, thank you to Steven, who has mowed our school oval. Our mower has decided to misbehave every time Phil has come out to mow the rest of the grounds. It's now been taken away, overhauled, and is now ready to get our grounds looking good again.

## School Council

Last night we held the first school council meeting for the year. At the meeting, the notice for school council elections was called and **invitations for nominations to sit on school council are now in place.** Nomination forms can be collected from the office. Any parent or carer of a student attending our school is able to nominate for school council. School council is a terrific way to get to know what goes on behind the scenes in schools and have input to the direction of the school. There are several vacancies, so don't be shy about putting your name forward, or even nominate someone else (with their permission) you think would be a great asset on council.

## Hot Weather Inside Play

After a very respectful meeting of all students and teachers, the assembly room is now available for students to access during break times. We are beginning to set up board games, chalk, dress ups and the like for quiet-type play. In hot or wet weather this will be preferable to being outside or stuck within the same classrooms during break times. Here's some photos to show what our students think!

## In the classrooms

The dingoes have been learning about reading comprehension strategies. Using Prior Knowledge is where we make use of information we already know about a topic, when we read. We did an impromptu 'What do We Already know About?' activity on 'elephants'. Turns out, the students knew quite a lot!

# What we're doing in the Classrooms

Mrs Sheedy & Ms Owen

Prep to Six students focussed on “leadership” and talked about the qualities of a good leader. In the task below, the students practised their leadership skills. The students were able to choose their own groups. Some groups worked better together than others by showing excellent teamwork. It was also due to there being a clear leader, who the others were willing to listen to, cooperate with and trust to complete the task.

## TASK: Tallest Tower Built

Each team has three or four people. They must build the tallest tower using paper, tape and scissors. Two team members have the left hand of one and the right hand of the other tied together. The other team members are blindfolded. Those that aren't blindfolded, each have one hand free to cut paper, etc. They also must give directions to the blindfolded players to build the tallest tower

## Elmore Tractor Pull colouring competition

Some students are entering the competition.

**Completed entries need to be back at school by Tuesday 8th March and we will send off all of the entries together.**

# ENROLMENTS 2022

Enrolments for 2022 are now open for our school.
