Owen**

COVID Case Onsite

Attached to this newsletter you will find information about an identified COVID positive person who was on site on Tuesday. Please read the information carefully and take any appropriate action.

Swimming

Tomorrow is the final day of our Water Safety and Swimming program and to celebrate there will be some fun activities for the students to enjoy.

Parents are very welcome to come down to the pool to watch the children's fun and games!

Once again, I would stress that these two weeks are not nearly enough for children to learn all the basic skills to survive and thrive in water. I encourage all families to invest in as many swimming lessons they can and to make sure your children are comfortable and safe in and around water, even when they aren't having lessons. Our local Stanhope Pool would be an ideal place for a relaxed family time to spend together (this would help with numbers attending the pool, given the threat of pool closure).

Minecraft Education

Since the live stream of the Minecraft Education Challenge, students have been exploring the possibilities the site offers. It has encouraged collaboration, cooperation and the sharing and exchanging of ideas and suggestions.

FROM THE

***Business
Manager***

Mica will still be in the office on Tuesdays and Thursdays.

I am happy to discuss confidential payment options for fees or camps & excursions with you.

10/3/2022

Dear parents and carers,

I'm writing to let you know that a person/ people with COVID-19 was on our school site while infectious.

Date positive case/s reported:	Tuesday 8 th March, 2022
Impacted class/es or year level/s	Any extracurricular activities, including school bus transport
P-6 students	Water Safety & Swimming Program

WHAT YOU NEED TO KNOW

If your child is not experiencing COVID-19 symptoms, they can continue to attend school, but you should monitor for symptoms.

Students who show symptoms of COVID-19 cannot attend school and should get tested immediately and isolate until they receive a negative result.

Students should continue with twice-a-week rapid antigen testing (RAT) on school days.

Students should continue with daily rapid antigen testing (RAT) on school days (5 days per week).

Students who have recovered from COVID-19 do not need to participate in screening testing for 30 days after their isolation period has ended.

For information on symptoms visit: <https://www.coronavirus.vic.gov.au/symptoms-and-risks>.

For more information on how to get tested visit: <https://www.coronavirus.vic.gov.au/taking-test-covid-19>.

If your child returns a positive RAT result and has symptoms and/or has been in contact with someone with COVID-19, it is very likely that your child has COVID-19.

- You must advise the school and the Department of Health about the positive result
- Your child must stay home for 7 days, and then only leave home once they feel well
- Everyone in your household is a close contact and must isolate for 7 days.

If your child tests positive with a RAT but does not have symptoms and don't believe they have been in contact with anyone with COVID-19 it is recommended getting a PCR test within the first 48 hours of testing positive and stay isolated at all times until they receive their result.

If your child's subsequent PCR test is negative, they will be able to leave isolation and return to school. If the PCR test result is positive, they must follow the steps above.

Reporting your child's positive test

If your child tests positive to COVID-19 you need to report the positive case through the [Student COVID-19 Test Portal](#) or you can notify the school in writing or by phone.

You must also report your child's positive test to the Department of Health via the [COVID-19 Positive Rapid Antigen Test Self-Reporting Form](#) or call centre on 1800 675 398.

Further information for languages other than English

- For school information in languages other than English, call TIS National on **131 450**.
- Please ask them to call the DET COVID-19 hotline on **1800 338 663** and they will help interpret.
- For translated written information about COVID-19, please visit: [Translated information about COVID-19 | Coronavirus Victoria](#).
- For health advice in languages other than English, visit www.coronavirus.vic.gov.au/translated-information-about-coronavirus-covid-19

Financial support available to people affected by COVID-19:

For more information, visit:

[Financial and other support for COVID-19 | Coronavirus Victoria](#)

[If you need a payment during coronavirus \(COVID-19\) - Getting help during coronavirus \(COVID-19\) - Services Australia](#)

General advice and support

For general advice and support please call the Department of Education and Training COVID-19 hotline on **1800 338 663**.

You can also contact the school:

Phone: 5857 2514

Advice and further resources about what to do if you test positive to COVID-19, or you have been told you are a contact, are at: [Your COVID Checklist | Coronavirus Victoria](#), or call the 24/7 Coronavirus hotline on: 1800 675 398

Yours sincerely,

Christine Owen
Principal
Stanhope Primary School
