From the Principal

A Very Busy Week for Stanhope Primary School!

Footy Clinic #2

Yesterday morning our students enjoyed their final footy clinic. The weather was kind and the students all had fun with a range of games and activities.

Parent- Student- Teacher Conversations

Today families and students met with their teacher to outline progress made so far this year. This provided useful insights for all concerned. Some of the students found the process a little daunting, but they really had very little to worry about.

Practice Naplan

Some students were able to participate in the Statewide Practice Online Naplan test today. This will provide experience with the format of the tests as well as the type of questions that are likely to be asked in the Naplan tests in May.

Shade Sail Update

Next week, work will begin on installing the shade sail over the seating in the front garden area. This is intended as an outdoor learning space but will also have many other benefits. While work is being undertaken, bus traveller and other students who normally enter from that end of the school, will need to use the entrance gate leading to the office. Signs and barriers will indicate areas that are out of bounds during construction.
