From the Principal

**Christine
Owen**

A very brief newsletter item from me this week. I am away on leave as of today until I return next Wednesday. We're still struggling to fill our staff vacancy, but are hopeful that this will be resolved within the next week or so. Meanwhile, the teachers we have employed during these last couple of weeks, have all been highly qualified and experienced. During my absence either Narelle Foley or Megan DePasquale will be on site teaching each day, in addition to other casual relief teacher who have been in the school previously. This will ensure that students are fully supported by teachers they know and also means that Narelle and Megan are familiar with the school routine and the needs of our students.

Science Learning

Tomorrow students will take part in the Webex incursion, 'Backyard Dinosaurs'.

Thursday night, why not ask your children some questions about:

- what they learned,
- one thing they learned about 'Backyard dinosaurs' that they didn't know before,
- name one type of backyard dinosaur.

Asking your children about their learning, prompts them to think more deeply about learning and shows you how they engaged with the session.

FROM THE **Business Manager**

Mica will still be in the office on Tuesdays and Thursdays.

I am happy to discuss confidential payment options for fees or camps & excursions with you.
