From the Principal

Christine Owen

We've Made It Through!

Over the last two terms, we re-learned how to be at school without the interruptions related to COVID. And, we've had a bit of fun, too! Highlights were the Triceratops Days museum visit, yesterday's Science Day, Basketball clinics, and who could forget our Colour Fun Run!

Next term, we'll also have a bit of fun with some excursions, incursions and camps in the pipeline. Students return on Monday 11th July.

Semester Reports

Reports will be published as of 4.30 pm this afternoon. Next term, we will hold parent -teacher conferences to discuss the reports and the plans forward.

Building Works

It's happening! These last few days, we've been preparing for some major works to begin over the holidays and into next term. Classes will be held in the old building, temporarily, until the works are completed to a level that we can use them again.

FROM THE *Business Manager*

Mica will still be in the office on Tuesdays and Thursdays.

I am happy to discuss confidential payment options for fees or camps & excursions with you.

Café Lunch Orders

Victoria's new Child Safe Standards

New Child Safe Standards to strengthen child safety will commence in Victoria on 1 July 2022

The Child Safe Standards (the Standards) commenced in Victoria in January 2016. After five years, we have seen how the Standards improve safety for children and young people.

Changes are being made to make our Standards even stronger.

Organisations¹ covered by the Standards will need to comply with new Standards by **1 July 2022**. Until then, the current Standards apply.

The new Standards set out minimum requirements and outline the actions organisations must take to keep children and young people safe. They provide more clarity for organisations and are more consistent with Standards in the rest of Australia.

The things organisations already do to keep children and young people safe will help them be compliant with the new Standards. In some areas, organisations will need to change or develop their current child safety policy, practices and organisational culture to meet the new Standards.

Further information and guidance will be provided by the Commission and other regulators over the coming months to help organisations move to the new Standards by **1 July 2022**.

What will be different?

Although similar to Victoria's current Child Safe Standards, key changes include new requirements:

- to involve families and communities in organisations' efforts to keep children and young people safe
- for a greater focus on safety for Aboriginal children and young people
- to manage the risk of child abuse in online environments
- in relation to governance, systems and processes to keep children and young people safe.
