Welcome!

It's with great pleasure, I welcome Mrs. Stockman to our staff. Mrs Stockman will be in teaching in the P-3 class until the end of the year. Mrs Stockman comes to us with a wealth of experience and expertise. I'm sure everyone will extend their warm wishes to her over the coming days and weeks.

Term Theme

Throughout term 3, students will be learning about Then and Now, with a particular focus on Toys. Students will be constructing some 'old school' toys at times, and so will be asked to collect various items from home, such as cardboard boxes, cardboard cylinders (from plastic wrap etc) and assorted other everyday items, depending on the task at hand. These items need to be kept at home, and brought to school when needed.

Special Parent Meeting

Senior Education Improvement Leader (SEIL), Mr Paul Hon, will address all families about our school and its path forward. He will also speak about the critical role of school councillors in promoting and supporting our school. It is planned that Paul would be on site from 2.45pm on Thursday 21st July and would like all families to attend as this meeting concerns everyone. There will be opportunity for questions. Tea and coffee will be provided.

Excursion to ACMI

On August 25th students from grades 5 & 6 will be visiting the Australian Centre for the Moving Image (ACMI) in Melbourne. They will be having workshops on Stop Motion animation and other related skills. There will be no charge for this excursion. Permission notes will be on uEducateUs.

Grounds

While we had organised for grounds and lawns to be ready for Monday, our mower had other ideas! Some areas cannot be mowed due to the building works, while other areas will have to wait until the mower is repaired and returned to the school. On the upside, our synthetic turf is again in the process of being cleaned and rejuvenated and when finished will once again, look fantastic!

**FROM THE

I am happy to discuss confidential payment options for fees or camps & excursions with you.

Building Works

Our classrooms have been refurbished as part of the re-stumping works and will be ready for students and teachers in the next week or so. We will all have to get used to walking on a level floor! The new carpet looks amazing! Our students and staff will now have great facilities to work and learn in!
