A Busy Week!

So many things have been going on this week, it's hard to know where to start!

We've had our regular Library day with Ms Smith on Monday. On Wednesday, we celebrated 100 days of school AND, students got to cook sausage rolls and muffins! The students had a great time measuring and mixing and shaping and pouring the various ingredients and then the best part. Eating! Mrs D organised learning activities for the day, entirely focussed on all things 100. Even maths games with 100 sided dice!

Wednesday we also met with some families to chat about student progress and about the mid-year reports. As always, if you weren't able to book a time this week, make a mutually convenient time with your child's class teacher to catch up with them.

Today we had Sheree Starling back teaching netball skills and we were lucky enough to miss the rain! The students are improving on a range of skills as a result of the weekly sessions, including hand-eye coordination, team playing skills and improving their physical and mental health.

Most mornings, our senior students run a couple of laps of the oval in preparation for the Athletics Day coming up on the 18th August. Details regarding the day will be available soon and permission forms will be on uEducateUs shortly.

The earthworks at the front of the school are due to begin today and be concluded in the next few days. Some final touches to the upgrade of the building will also be finalised over the next few days.

Bookweek

We have book week coming up in Week 7, 22nd - 26th of August. Students are encouraged to dress up to represent their favourite book or book character on Friday 26th August. We will hold a parade just after 9:00am, weather permitting, on the basketball court. The best judged costume will receive a prize to be presented at assembly on the Friday.

FROM THE **Business Manager**

Mica will still be in the office on Tuesdays and Thursdays.

I am happy to discuss confidential payment options for fees or camps & excursions with you.

Five tips for parents

1. Be curious

Ask your child about what game they are playing? Get them to show you what they are doing. Ask then why it is fun?

Showing an interest in your child's tech life and having them teach you about it, is a great way for you to build an understanding and empathise with your child's interest - it may change the way you see their technology use, alleviate some concerns and change how you make decisions around it.

Positive Start - School Holiday Camps

<https://www.vic.gov.au/positive-start-holiday-camps>

Positive Start is providing **free** holiday camps to **eligible** Victorian students in years 3 - 12.

Camp providers are fully accredited and provide a safe, inclusive and supportive environment.

When choosing a holiday camp, consider how long your child will be comfortable away from home. It might be worthwhile visiting the camp with your child before booking so they can feel comfortable when arriving.

Also consider the camp's location. If this is your child's first time on holiday camp, it is best to stay reasonably local.

To book a place in a holiday camp:

1. Eligible students must have completed an expression of interest form through their school and received a unique booking code
2. Look through the available camps in the directory below under 'Excursions & Incursions' (make sure you click on the 'View more events' to see the full list)
3. Choose your preferred camp
4. **Book directly with the camp via the link in the camp listing, using the unique booking code.**

If you need help with your booking or have further questions the camp provider can't answer, contact the Positive Start team at positivestart@education.vic.gov.au OR contact Christine or Mica at school.

Eligibility

Students in years 3 to 12, who meet one or more of the following criteria are eligible to attend a free holiday camp:

- attend a school that experienced closures of five days or more due to a positive COVID-19 case or close contact in 2021
- have an approved Camps, Sports and Excursions Fund (CSEF) application for 2022
- have a parent that holds a valid means-tested concession card (for example a Health Care Card, Job Seeker, Newstart Allowance, Disability Support Pension)
- are in out of home care
- have a disability
- are from a refugee background
- are Koorie students
- are in the Navigator program
- are young carers.
