Term Theme

This term our focus is science-based, with Force and Motion being the key concepts being taught. We have begun some preliminary work on understanding some of the basics and over the next weeks, students will employ some practical skills to demonstrate the different forces and the motion or movement created by particular forces.

Melbourne Cup Visit

Weather permitting, our whole school will walk down to Stanhope township to participate in the visit to Stanhope of the Melbourne Cup. This is a public event starting at 12:00 o'clock so all families are welcome to attend. There will be a sausage sizzle available, although students are welcome to bring their own lunches as usual.

Soccer Clinic

Next Tuesday, students will participate in a Soccer Clinic organised by Mrs De Pasquale. Soccer has proven to be popular with just about all our students.

Grade 4-6 Sovereign Hill Camp

This camp is known for its authentic representations of the gold rush era in Victoria. Students will be dressed in period costume (supplied) for some of the activities and experiences as part of the camp experience. A clothing list will be sent home shortly. Permission notes are now able to be accessed on uEducateUs.

Final Assessments

During this term, students will undertake a range of assessments to determine their areas of success and growth. End of semester reports will summarise their progress and indicate where they are in terms of expected benchmarks in specific subjects. Reports will be published on uEducateUs in the final week of term.

FROM THE **Business Manager**

Mica will still be in the office on Tuesdays and Thursdays.

I am happy to discuss confidential payment options for fees or camps & excursions with you.
