Devastation

By now there won't be a single person in Australia that isn't aware of the catastrophic impact of the flooding across the eastern States of Australia. Many schools are closed due to the need to ensure the safety of students and staff who live in impacted areas. We have been very fortunate not to have had to close our school and return to remote learning.

Over the weekend, I worked with Regional staff to keep them updated on our situation and maintained communication with families as situations changed, sometimes very rapidly. It will be important for families to continue to monitor Class Dojo for any updates following the expected rains over the next few days.

Assessment and Reporting

Over the next few weeks, students will be assessed in key learning areas and reports written based on those assessments, together with previous in-class assessments and tests, and classwork evidence. Reports will be ready for publication in the final week of term via uEducateUs.

Soccer Clinic

Sadly, the arranged Soccer clinic which was to take place on Tuesday morning, was another victim of the flooding. The clinic has been re-scheduled until 8th November. All was not lost, however! Ms Whitney came to the rescue and students were given some training in soccer skills and the opportunity to participate in a modified game.

School Council

At School Council last night, the 2023 School Requisites Payment Schedule was approved. This information will be sent out to families in the coming weeks to assist in their preparation for the 2023 school year.

Respectful Relationships – Diversity Day

Next Friday our whole school will travel by bus to Lancaster Primary School to participate in a Respectful Relationships – Diversity Day. Activities will include some Respectful Relationships learning activities, a colour run and some sports activities and games. A sausage sizzle will also be provided free. A limit of 2 sausages and one drink per student will apply. Students are welcome to bring their own lunch as well if they wish. There is no cost for this event. Permission forms are on uEducateUs.
