HOME READING

At the start of the school year all students were given a reading folder and reading log book. These are to be taken home and returned to school each day.

Parents are required to listen to their child read and record/sign in their books.

If you need any help with this please see Mrs D or Ms O.

Reminder

Could all families please remember to sign and return the various forms sent home with last week's newsletter. This will enable your students to fully access relevant programs and opportunities throughout the year.

Additionally, it is a requirement that the school has accurate, up to date information about each child. This is obtained by parents checking that the information is correct on the 'Student Enrolment Information Form' that was sent home last week. Any alterations can be made on the document, then it needs to be signed and returned to the school.

Safer Internet Day

On Tuesday, our students participated in a live, interactive session with hundreds of other students around the state, for Safer Internet Day. The theme of this year's Safer Internet Day was:

**connect.

Facebook

Our facebook page is now up and running and will soon contain highlights of each week and other information for our school community.

Schools Clean Up Day

This year we will participate in the annual Schools Clean Up Day on Friday March 3rd. Students will be supplied with gloves and sturdy rubbish bags to clean up and clear away unwanted rubbish and debris from our own grounds as well as the recreation reserve next door. Families are invited to participate. We will begin shortly after 9am.

Welcome and congratulations to David Bell who is the new lead educator and kindergarten teacher at Stanhope Kindergarten. We have already had discussions about partnership opportunities between the kinder and the school. We look forward to a great year of collaboration ahead !

CLASS WORK

As part of our literacy and comprehension, students enjoy being read a story everyday and doing extension activities. We read a storybook called 'When the Wind Changed'. Then we practised making our own scary faces!!! These are our drawings of our scary faces.

Fun Time at School!

Next Thursday afternoon, we plan to have some water fun at school with our Slippery Slide.

If students wish to bring any water shooting devices, it will be at their own risk of breakage or other damage and will be subject to strict rules of use.

Students will need to have bathers and a towel, and a waterproof bag for wet clothing and towels, as well as their school hat. Sunscreen will be provided by the school.

Weather is predicted to be very warm but should that change we will endeavour to give families adequate notice.

connect. reflect. protect.
