A Great Start to the Week!

As you've no doubt heard and will see in the pictures, our new Wellbeing Officer, Simon, has been a real hit with our students! Lunchtime and recess foursquare challenges had everyone involved and competing to be the best!

Ride to School Day

Tomorrow is the official Ride to School Day and our students are encouraged to ride, scoot, or walk to school as part of that celebration. If students want to, they can dress up or decorate their bikes for the day. During last week and this week, the boys have been riding their bikes around the driveways and basketball court, using cones and chalk lines to define the lanes. They even have 'traffic controllers!'

First Aid

We are looking at holding a CPR training session run by Ambulance Victoria, at school for our students aged 11 years and up. The date for this valuable session, is Monday May the 22nd. We'd also like to invite our families to be part of that session as well. If you are interested, please let us know via text on 0418 548 318 with just the words 'YES – CPR'. This will let Ambulance Victoria arrange adequate facilitators and equipment for the session.

Camp

Once again, we are able to offer a free camp thanks to the State government funding through the Positive Start program. The camp is Valley Homestead in the Ovens Valley and will take place on Monday 15th May and return on Wednesday 17th May. **Attendance will be to invited** students from grades 3 to 6 and will be very much behaviour dependent. More details to follow.
