### **DON'T FORGET!** **REMINDER:** **STUDENT FREE DAY**

**This coming Wednesday, 8<sup>th</sup> March, is a Student Free Day to allow our staff to attend maths professional learning workshops.**

#### School Council

Thank you to those parents who have nominated for our School Council. This provides an opportunity to learn about how a school operates and to have input into some of the key decisions and actions. The AGM and first meeting of the new Council will be held on 22<sup>nd</sup> March at 7.00pm

#### Grounds

You will have noticed that our grounds are starting to green up as our two environmental Monitors keep the lawns watered. We have also been able to start on watering the oval now that our plumbers have begun to sort out the various taps and fittings needed. You will have also noticed that we now have decorative stones along the front of our building and soon there will be some decorative metal sculptures or similar, to enhance the area.

#### Schools Clean Up Day

Tomorrow our students will be involved in a whole school clean up which will extend to the neighbouring footy oval. We have all the gear, gloves, bags etc so that we can make a big impact on the cleanliness of our school and community facilities.

#### Ride & Walk to School Day

Later in this newsletter is some information about the Ride to School Day coming up in a few weeks. It's very important that if your child is going to be riding or scooting to school that they have the correct safety gear, helmets and knee and elbow pads where needed. It is also important that their bike is in safe working order: functioning brakes, tyres that don't go flat, chains that are the correct tension. Ride to School Day is not until the 24<sup>th</sup> March, so there is time to get everything prepared. In the past, we have had families riding with their children to school, so we would welcome any families to come along for the ride too!
