A Week of Learning

This week some of our teachers have been able to attend some crucial maths workshops across our network. This will benefit our students through applying the new research findings and classroom strategies, so that each child can be taught from their own position of maths learning and go on to build on that base. Lots of the ideas are great fun, for kids and teachers alike!

Wellbeing

This week we were able to appoint a wellbeing staff member to our school. This role is primarily to support and engage students in their school life and community. Watch this space for further news!

Mr J.

On Tuesday, students had a lot of fun being taught by Mr Jardine, who was covering for Mrs D while she attended the maths workshops. Mr J will be back again soon to introduce some more new games and learning activities.

Healthy Me!

Our students have been doing some learning around what it means to be healthy. Some of their work is on display in the main corridor. Pop in and check out the great work your children have been doing!

Volleyball Resurrection!

Last week we put up the volleyball net and students had fun honing their skills in preparation for a real match!

FROM THE **Business Manager**

Mica will still be in the office on Tuesdays and Thursdays.

I am happy to discuss confidential payment options for fees or camps & excursions with you.

Clean Up Schools Day

Last Friday all our students helped with the clean up around our school grounds and our neighbouring Recreation Reserve.

Ride2School Day aims to increase physical activity in young Australians and families by encouraging everyone to ride and walk to school.

To support this day and encourage students to meet the daily recommendations of 60 minutes of physical activity, all students are strongly encouraged to walk, ride, scoot or skate to school every day of the week starting 20th March!

Stanhope Primary School ENROLMENTS

Enrolments are welcome
for our school.

Parents or carers can
contact the school to speak
with the principal,
Christine, or to collect an
enrolment pack.

- ◆ Small caring environment.
- ◆ Individual learning plans to ensure high student outcomes.
- ◆ Engaging curriculum delivery.
- ◆ Parent involvement encouraged.

School tours by
appointment.
