## Kyabram Club Sponsorship Night

Our school leaders, Tyler R and Tyler A, did our school and themselves proud, last Thursday night. During their presentations, they spoke clearly and calmly and were handed a cheque for our school. This year's cheque will go towards STEM resources, such as an electrical/electronics kit to fill a lack in our current STEM supplies.

## Ovens Valley Camp

Four excited boys boarded the bus on Monday morning, heading towards Ovens Valley Camp. I'm not sure who is more excited though, Simon looked pretty excited to be heading off as well!

Thank you so much to Simon who looked after our students and empowered them. He was so proud of how well our boys behaved—they were great ambassadors for our school!

## Walk To School Day

This Friday is Walk To School Day. Make sure you wear your full school uniform, so you can be seen representing our school! Bus travellers can do a few walking laps of the oval when they get to school, or before the end of the day.

## CPR for All the Family

Next Wednesday, the 24<sup>th</sup> May, we will have Ambulance Victoria conducting CPR training for our eligible students. Families are welcome to attend also. Younger students will be able to observe and get a head start for when they are old enough to take part. The session starts at 9:00am. We'd love to see you there!

I look forward to being back with you all next Wednesday!

## **LET'S SEE WHAT GERMS CAN DO!!!**

We cut up potatoes and introduced different foodstuffs, to see what our potatoes will grow over the next few weeks.

# **DISCOVERY SCIENCE**

## **EXPLOSIVE REACTIONS!!!**

We put an aspro in water.

Wait for it!!!

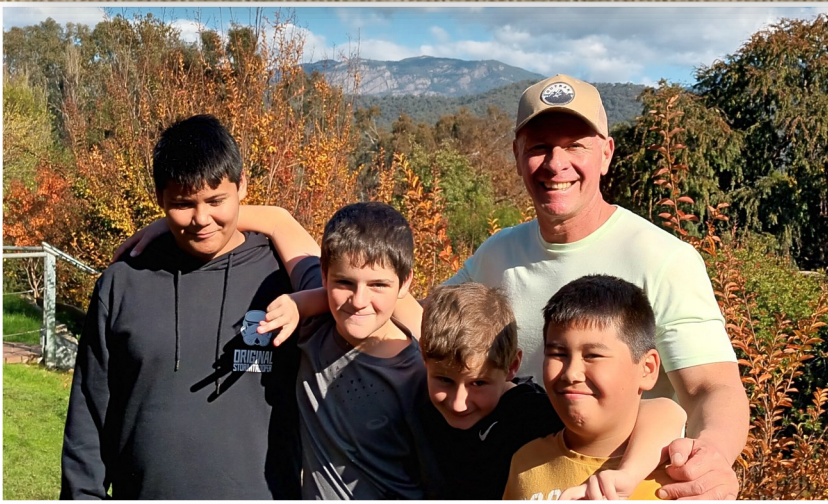

The chemical reaction made the lid blow off the container!
