Staff Thank You!

A big thank you to all my staff who held the fort while I was away for a few days on leave. It's tremendous knowing that I can count on my staff at any time! It gives great peace of mind. Thanks to everyone!

New students

Welcome to our new students, Caleb and Bonni. Caleb has transferred from Rushworth P-12. Bonni previously went to school in Geelong and has now moved to Stanhope with her Dad. I know our great students will make sure they are looked after and made to feel welcome.

Policeman Frank Visit

Today we had Policeman Frank visit our students. It's been a while since he was here and he reminded our students of the various roles of police. They even got to experience some Police equipment and features of the police vehicle, such as the siren and lights! Plus, they had to try and beat the speed detection gun in a race to the car!

CPR

Thanks to Ambulance Victoria, our students were able to get some important training in CPR. We even had past student, Marcus, join us for the day! They learned how important having CPR skills can be, when and how to employ CPR. Best of all, anyone can do it! It's easy to remember what to do, just; 1. Call 2. Push 3. Shock.

Staff Profile

SIMON GILBOY

Wellbeing Officer

"Hi there, I'm Simon Gilboy, and I'm honored to be the Wellbeing Officer at Stanhope Primary. As a middle-aged man with a wealth of life experience, I bring a unique perspective to my role.

I'm a qualified drug and alcohol counsellor with many years of experience, and I've seen firsthand how important it is for young people to have guidance and support. But that's not all! I'm also a personal trainer with 15 years of experience, and I love nothing more than getting kids moving and having fun.

As a father of two and husband to a wonderful woman, I understand the importance of family and community. That's why I'm committed to creating a safe and inclusive environment where students and staff can feel comfortable discussing their wellbeing and receiving the support they need.

I believe in the power of prevention and early intervention, which is why I work closely with teachers, parents, and external agencies to provide the best possible support to our school community. Whether it's an individual struggling with mental health, or a group of students looking for ways to improve their physical health, I'm here to help.

I'm also pretty good at telling Dad jokes, so if you need a laugh, I've got you covered!!

My goal is to empower young people to take ownership of their wellbeing and make positive choices for themselves. By building relationships based on trust and respect, I hope to create a culture where wellbeing is a priority and everyone feels supported and valued.

I'm excited to be a part of the Stanhope Primary School community and look forward to working with students, staff, and parents to promote wellbeing and help everyone reach their full potential."
