Winter Sports Day

While we thought that the weather would be against us the Winter Sports Day went ahead as planned. Disappointingly, we only had two students representing our school, but they both had a great day participating in a number of events with students from many other schools.

Auskick Clinic

Despite the weather, our students all enjoyed the Auskick Clinic held at school on Monday. Due to the rain, our Auskick leader, Charlie, modified some of the activities and held it in the big room of the old building. Auskick is a great opportunity to gain valuable skills and experience. It also helps with social skills and learning to be part of a team. Consider enrolling your child in the Girgarre Auskick team!

Teacher Learning

Yesterday, Mrs De Pasquale, along with two other teachers from our Small Schools Cluster, worked together to finalise their maths presentation as part of our Professional Learning Communities' maths focus. They have all worked tremendously hard to achieve a truly collaborative, professional presentation which outlines data and findings on how our students learn to tell the time, the barriers and challenges some students find and what works best to help them overcome those barriers.

School Photos

Don't forget we have school photographers here next Thursday. **Make sure your child is dressed in full school uniform** (no hats) to represent themselves and our school at their very best. All correspondence and payment is through MSP Photography.

King's Birthday Public Holiday

Next Monday is a Public Holiday to celebrate the King's Birthday. We hope you all enjoy taking advantage of the many community events and activities that are planned across the area and the state, for this long weekend.

Circus Quirkus – Free Tickets

Families have the opportunity to attend Circus Quirkus in July through the generosity of the Lions Club of Shepparton. If you are interested in obtaining tickets, please contact the school, with your family name and the numbers attending. The school will then pass on the information to the Lions Club.

Show Date: 29th of JULY 2023

Time: 11am

Venue: Shepparton Sports Stadium

Address: 120 Numurkah Road, Shepparton, Victoria 3630

SCIENCE

Each week students get to test out some basic science concepts. Over the last couple of weeks, they made 'gloop' and observed how different substances mix or don't mix with each other. Then they had a go at testing water and air pressure to create almost magical tricks!

Notice the piece of paper 'stuck' to bottom of a glass of water, held upside down!
