Swimming

Don't forget to return permission slips and payment for our whole school swimming program which starts in just over one week's time. You can now also approve via uEducateUs, but payment must be made prior to the event and via cash to the school or BPay.

Students must be able to undress and re-dress themselves independently in an efficient manner and timely manner.

There will not be adults available to assist in the change rooms.

Parent Opinion Survey

We invite our families to participate in the 2023 Parent / Caregiver / Guardian Opinion Survey (PCGOS). The survey is designed to assist our school gain an understanding of families' perceptions of school climate, student behaviour, and student engagement. The survey will be conducted online, only takes 20 minutes to complete, and can be accessed at any convenient time before the 8th September on desktop computers, laptops, tablets or smartphones. Head onto [uEducateUs](#) where you will find the link to the survey and our school's pin code that you will need to enter to complete the survey.

Production Rehearsals

We have been practising our dance routine and dialogue as often as possible in the classroom. As the concert date gets closer, we will be taking a couple of bus trips to Rushworth P-12, to join in their whole school practice. On Thursday 7th September, we will join them for a full dress rehearsal, on site. Ms Parry has asked students to dress in something disco-y, if possible. Shiny/sparkly/bright clothes would be awesome! Attached to this newsletter and on uEducateUs, are permission notes for the 3 occasions when we will be travelling to Rushworth P-12.

Life Saving Victoria Visit

Yesterday our students were treated to a visit from Life Saving Victoria. Erin had them engaged in a lot of different activities. Students had to detect and explain the possible dangers in various water environments, They got to wear water-safety vests and experience why they are designed the way they are, how to cling together as a group to help be seen from a distance or from the air. There were many different pieces of equipment that Life Savers use and I think I even saw a blue-ringed octopus, hanging out with the kids!
