## The Final Countdown!

Our curriculum focus this term is on Celebrations and Culture. We will be looking at what is meant by 'culture' and how it's demonstrated in our families, communities and beyond. Fourth term is always a busy one and includes transition programs for students entering school and moving through school, and, of course, getting ready for our School Review. It is a forward-looking term aimed to ensure that our students are prepared for their next level of learning in 2024. The end of year Semester 2 Reports will be being finalised later in the term, ready for distribution in the final week of term.

## Healthy Lunchbox Session

On Tuesday 17<sup>th</sup> of October, at 10 am our students will be participating in an interactive learning session about healthy eating. This will be followed by making their own healthy lunch box with the ingredients supplied by Ky Health. They will need to bring an empty lunch box to put their prepared food into it. Please let us know asap of any dietary requirements before Thursday 12<sup>th</sup> October

## Summer Sports

Students from grade 3-6 will have the opportunity to participate in a combined schools sports event to be held at Kyabram P-12 College. Families will be responsible for transporting their children to and from the event. Teachers will be supervising at the event.

## Rushworth- Stanhope Production

A reminder to families to keep the evening of Monday 23<sup>rd</sup> October free for our combined production of ' the Power of Ducks'. We have resumed rehearsals and are very excited about our part in the musical performance. Our part is set in the 1970's, so start browsing the op shops for '70's style outfits!

## Electricity is in the Air!

We finally received our order of electrical components, purchased with the Kyabram Club sponsorship money, received earlier in the year. Students will be able to learn about basic circuitry and how electricity works, through hands on experiences and some basic knowledge learned in the classroom.

## **Free Dental for Students.**

**Attached to this newsletter and on uEducateUs, is information about how you can access Smile Squad dental services. Smile Squad is the Victorian Government free dental program.**
