PRINCIPAL'S MESSAGE: Fiona Wallace

Attendance

Week four has been hot, cold, wet, stormy, and also mild at times, and unfortunately we've had a number of students home unwell this week. Thank you for phoning us with updates around your student's attendance and health – it is important that we know when and why students are absent. I certainly hope everyone is well, ready and raring to go next week!

Wellbeing Works

Over the coming weeks I will be inviting families and students to attend individual 'Wellbeing Works' meetings with myself and our resident Wellbeing Officer, Simon, as outlined in my update here last week. I will continue to make contact with you to book appointments, but please don't hesitate to contact the school if there's a day/time that you would prefer. We are aiming to hold most of these meetings on a Tuesday when Simon is here.

Reluctant Readers

This week I have been talking to the students about the importance of reading, and the importance of reading at home every day. The key to enjoying reading is simply to find something that you want to read about. For example, I had experience with a reluctant reader who wasn't interested in novels or stories, but was always keenly interested in cooking. So, I gave her recipes to read. I also asked her to write out weekly shopping lists for the ingredients, I would then correct the spelling of the food items, and then give her the list to read out when shopping. Discuss your student's interests with them, and then try to find a way to read about those interests. I am always happy to print out articles from the internet about their areas of interest too.

What are you reading at the moment? This week I sadly have to report that I myself haven't done much reading... so I will rectify that this weekend. I did, however, start to read *Boy Swallows Universe*. I will also admit here that I haven't quite gotten into it, but it has enjoyed such great reviews and it has recently been turned into a hit TV show. So, I will read a bit more of it and report back to you next week.

Child safety and wellbeing at Stanhope Primary School

information for families and the school community

The Victorian Government has announced new [Child Safe Standards](#) to further strengthen child safety across organisations, including schools. The new standards recognise the critical importance of families and the broader school community in maintaining and promoting child safety and wellbeing.

Stanhope Primary School has reviewed and updated our child safety policies and procedures to ensure they meet the requirements of the new standards. These are available to view our school's website, via UeducateUs, and at the school's front office].

We are committed to continuous improvement in our approach to child safety and wellbeing and welcome feedback from families and members of our school community on ways we can further strengthen our child safety policies, procedures and practices.

If you have any suggestions, comments or questions, please contact Stanhope Primary School at stanhope.ps@education.vic.gov.au or by phone on 03 5857 2514.

Victoria's Child Safe Standards

- **Child Safe Standard 1** – Establish a culturally safe environment in which the diverse and unique identities and experiences of Aboriginal children and young people are respected and valued.
- **Child Safe Standard 2** – Ensure that child safety and wellbeing are embedded in school leadership, governance and culture.
- **Child Safe Standard 3** – Children and young people are empowered about their rights, participate in decisions affecting them and are taken seriously.
- **Child Safe Standard 4** – Families and communities are informed and involved in promoting child safety and wellbeing.
- **Child Safe Standard 5** – Equity is upheld and diverse needs are respected in policy and practice.
- **Child Safe Standard 6** – People working with children and young people are suitable and supported to reflect child safety and wellbeing values in practice.
- **Child Safe Standard 7** – Ensure that processes for complaints and concerns are child focused.
- **Child Safe Standard 8** – Staff and volunteers are equipped with the knowledge, skills and awareness to keep children and young people safe through ongoing education and training.
- **Child Safe Standard 9** – Physical and online environments promote safety and wellbeing while minimising the opportunity for children and young people to be harmed.
- **Child Safe Standard 10** – Implementation of the Child Safe Standards is regularly reviewed and improved.
- **Child Safe Standard 11** – Policies and procedures that document how schools are safe for children, young people and students.
- Ministerial Order 1359 provides the framework for child safety in schools.

FOUR CRITICAL ACTIONS FOR SCHOOLS

Responding to Incidents, Disclosures and Suspicions of Child Abuse

1 RESPONDING TO AN EMERGENCY

If there is no risk of immediate harm go to **Action 2**

If a child is at immediate risk of harm you **must** ensure their safety by:

- separating alleged victims and others involved
- administering first aid
- calling **000** for urgent medical and/or police assistance to respond to immediate health or safety concerns
- identifying a contact person at the school for future liaison with Police.

Where necessary you may also need to maintain the integrity of the potential crime scene and preserve evidence.

2 REPORTING TO AUTHORITIES / REFERRING TO SERVICES

As soon as immediate health and safety concerns are addressed you **must** report all incidents, suspicions and disclosures of child abuse as soon as possible. Failure to report physical and sexual child abuse may amount to a criminal offence.

Q: Where does the source of suspected abuse come from?

WITHIN THE SCHOOL

VICTORIA POLICE
You **must** report all instances of suspected child abuse involving a school staff member, contractor, volunteer or visitor to Victoria Police.

You **must also** report internally to:

- GOVERNMENT SCHOOLS**
 - School principal and/or leadership team
 - Employee Conduct Branch
 - DET Incident Support and Operations Centre.
- CATHOLIC SCHOOLS**
 - School principal and/or leadership team
 - Diocesan education office.
- INDEPENDENT SCHOOLS**
 - School principal and/or school chairperson
 - Commission for Children and Young People on **1300 782 978**

All allegations of 'reportable conduct' **must** be reported as soon as possible to:

- GOVERNMENT SCHOOLS**
 - Employee Conduct Branch
- CATHOLIC SCHOOLS**
 - Diocesan education office
- INDEPENDENT SCHOOLS**
 - Commission for Children and Young People on **1300 782 978**.

OTHER CONCERNS

If you believe that a child is not subject to abuse, but you still hold **significant concerns** for their wellbeing you **must** still act. This may include making a referral or seeking advice from:

- Child FIRST/The Orange Door (in circumstances where the family are open to receiving support)
- DHHS Child Protection
- Victoria Police.

3 CONTACTING PARENTS/CARERS

Your principal **must** consult with DHHS Child Protection or Victoria Police to determine what information can be shared with parents/carers. They may advise:

- not to contact** the parents/carer (e.g. in circumstances where the parents are alleged to have engaged in the abuse, or the child is a mature minor and does not wish for their parent/carer to be contacted)
- to contact** the parents/carers and provide agreed information (this must be done as soon as possible, preferably on the same day of the incident, disclosure or suspicion)
- how to communicate** with all relevant parties with consideration for their safety.

4 PROVIDING ONGOING SUPPORT

Your school **must** provide support for children impacted by abuse. This should include the development of a **Student Support Plan** in consultation with wellbeing professionals. This is an essential part of your duty of care requirements.

Strategies may include development of a safety plan, direct support and referral to wellbeing professionals and support.

You **must** follow the **Four Critical Actions** every time you become aware of a further instance or risk of abuse. This includes reporting new information to authorities.

YOU MUST TAKE ACTION

You **must** act, by following the Four Critical Actions, as soon as you witness an incident, receive a disclosure or form a reasonable belief* that a child has, or is at risk of being abused.

As a school staff member, you play a **critical role** in protecting children in your care.

You **must** act if you form a suspicion or reasonable belief, even if you are unsure and have not directly observed child abuse (e.g. if the victim or another person tells you about the abuse).

*A reasonable belief is a deliberately low threshold. This enables authorities to investigate and take action.

Parent Payment Arrangements 2024

Dear Parent

Stanhope Primary School is looking forward to another great year of teaching and learning and would like to advise you of Stanhope Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Stanhope Primary School makes every effort to keep contributions to a minimum and affordable for all parents.

Please find the contribution schedule for Prep through to Grade 6 attached. The contribution schedule applies for each individual student in a family.

A list of stationery items and student requisites for families to provide or purchase from their preferred supplier, is also attached.

All items will need to be labelled at home with your student's name. Item quantities are suggested adequate for one years' normal classroom use, but please note that some items may need to be replenished throughout the year and damaged or lost items will need to be replaced and costed accordingly. Please also note that excursion & incursion charges will be costed separately at the time of the event.

- Bpay (NOT DIRECT DEPOSIT)

Refunds

Refunds generally only apply to events or activities such as camps and excursions. If a camp or excursion is cancelled or altered by the school, or a student is no longer able to attend part or all of the camp or excursion, our school will consider requests for partial or full refunds of payments made by parents/carers on a case-by-case basis taking into account the individual circumstances. Generally we will not be able to refund payments made for costs that have already been paid where those funds have already been transferred or committed to a third party and no refund is available to the school. Where possible, we will provide information about refunds to parents/carers at the time of payment.

For further information on the Department's Parent Payment Policy. Please see a one page overview attached.
