On Wednesday 27th March our 3-6 students will be participating in a teams tennis competition in Echuca against students from other schools. The day will be about fun and will be a hot shots style format, with racquets provided. No previous tennis experience is required and Sheree has been helping our students prepare for the day during sport sessions.

We will need parent helpers to help transport students to and from the event. If you can help please contact Mrs De Pasquale.

Food Fight!

TOMORROW

PLEASE remember to pack an entire set of casual/old clothes for your student to change into – even shoes please – as we'll be getting very messy!

SURVEYS

Just a reminder to please complete a short survey about our school. It's imperative that we gain feedback from you about things like our programs and activities, what you think have been highlights over your student's time here, and what you feel you'd like to change or improve. I have sent you a link via email if you'd like to complete the questions online, however we will also have paper copies here at school for you to complete and would like to invite you to stay around **after assembly this week and next week** to spend 5-10 minutes completing a hard copy.

Lost property

As the cooler weather begins, I'm starting to notice an increase in the number of jackets and jumpers being left lying around at school. Any and all articles of clothing I find, I am simply hanging on the hooks in our main corridor. Please encourage your student to check there first if they are missing an item and feel free to peruse the selection there yourselves to see if anything looks familiar.

Homework

Every student has homework every night! No matter what year level your student is in, they will benefit from creating a healthy homework routine. Every student should be reading each night, for at least 15 minutes, and they should also be spending 5 minutes each day practising their weekly spelling words. A little bit of time spent on homework each day is far better than a large chunk of time once a week. I encourage you to discuss a homework routine that suits your family and to also think about setting up a regular homework 'space'. Your student's homework space needn't be a complete desk in their own room. For example, your child's homework space might just be an agreed area of the kitchen table if that's what works, but it is important that it's the designated homework area at a designated time.

Child safety and wellbeing at Stanhope Primary School

information for families and the school community

The Victorian Government has announced new [Child Safe Standards](#) to further strengthen child safety across organisations, including schools. The new standards recognise the critical importance of families and the broader school community in maintaining and promoting child safety and wellbeing.

Stanhope Primary School has reviewed and updated our child safety policies and procedures to ensure they meet the requirements of the new standards. These are available to view our school's website, via UeducateUs, and at the school's front office].

We are committed to continuous improvement in our approach to child safety and wellbeing and welcome feedback from families and members of our school community on ways we can further strengthen our child safety policies, procedures and practices.

If you have any suggestions, comments or questions, please contact Stanhope Primary School at stanhope.ps@education.vic.gov.au or by phone on 03 5857 2514.

Victoria's Child Safe Standards

- **Child Safe Standard 1** – Establish a culturally safe environment in which the diverse and unique identities and experiences of Aboriginal children and young people are respected and valued.
- **Child Safe Standard 2** – Ensure that child safety and wellbeing are embedded in school leadership, governance and culture.
- **Child Safe Standard 3** – Children and young people are empowered about their rights, participate in decisions affecting them and are taken seriously.
- **Child Safe Standard 4** – Families and communities are informed and involved in promoting child safety and wellbeing.
- **Child Safe Standard 5** – Equity is upheld and diverse needs are respected in policy and practice.
- **Child Safe Standard 6** – People working with children and young people are suitable and supported to reflect child safety and wellbeing values in practice.
- **Child Safe Standard 7** – Ensure that processes for complaints and concerns are child focused.
- **Child Safe Standard 8** – Staff and volunteers are equipped with the knowledge, skills and awareness to keep children and young people safe through ongoing education and training.
- **Child Safe Standard 9** – Physical and online environments promote safety and wellbeing while minimising the opportunity for children and young people to be harmed.
- **Child Safe Standard 10** – Implementation of the Child Safe Standards is regularly reviewed and improved.
- **Child Safe Standard 11** – Policies and procedures that document how schools are safe for children, young people and students.
- Ministerial Order 1359 provides the framework for child safety in schools.

FOUR CRITICAL ACTIONS FOR SCHOOLS

Responding to Incidents, Disclosures and Suspicions of Child Abuse

1 RESPONDING TO AN EMERGENCY

If there is no risk of immediate harm go to **Action 2**

If a child is at immediate risk of harm you **must** ensure their safety by:

- separating alleged victims and others involved
- administering first aid
- calling **000** for urgent medical and/or police assistance to respond to immediate health or safety concerns
- identifying a contact person at the school for future liaison with Police.

Where necessary you may also need to maintain the integrity of the potential crime scene and preserve evidence.

2 REPORTING TO AUTHORITIES / REFERRING TO SERVICES

As soon as immediate health and safety concerns are addressed you **must** report all incidents, suspicions and disclosures of child abuse as soon as possible. Failure to report physical and sexual child abuse may amount to a criminal offence.

Q: Where does the source of suspected abuse come from?

WITHIN THE SCHOOL

VICTORIA POLICE
You **must** report all instances of suspected child abuse involving a school staff member, contractor, volunteer or visitor to Victoria Police.

You **must also** report internally to:

- GOVERNMENT SCHOOLS**
 - School principal and/or leadership team
 - Employee Conduct Branch
 - DET Incident Support and Operations Centre.
- CATHOLIC SCHOOLS**
 - School principal and/or leadership team
 - Diocesan education office.
- INDEPENDENT SCHOOLS**
 - School principal and/or school chairperson
 - Commission for Children and Young People on **1300 782 978**

All allegations of 'reportable conduct' **must** be reported as soon as possible to:

- GOVERNMENT SCHOOLS**
 - Employee Conduct Branch
- CATHOLIC SCHOOLS**
 - Diocesan education office
- INDEPENDENT SCHOOLS**
 - Commission for Children and Young People on **1300 782 978**.

OTHER CONCERNS

If you believe that a child is not subject to abuse, but you still hold **significant concerns** for their wellbeing you **must** still act. This may include making a referral or seeking advice from:

- Child FIRST/The Orange Door (in circumstances where the family are open to receiving support)
- DHHS Child Protection
- Victoria Police.

3 CONTACTING PARENTS/CARERS

Your principal **must** consult with DHHS Child Protection or Victoria Police to determine what information can be shared with parents/carers. They may advise:

- not to contact** the parents/carer (e.g. in circumstances where the parents are alleged to have engaged in the abuse, or the child is a mature minor and does not wish for their parent/carer to be contacted)
- to contact** the parents/carers and provide agreed information (this must be done as soon as possible, preferably on the same day of the incident, disclosure or suspicion)
- how to communicate** with all relevant parties with consideration for their safety.

4 PROVIDING ONGOING SUPPORT

Your school **must** provide support for children impacted by abuse. This should include the development of a **Student Support Plan** in consultation with wellbeing professionals. This is an essential part of your duty of care requirements.

Strategies may include development of a safety plan, direct support and referral to wellbeing professionals and support.

You **must** follow the **Four Critical Actions** every time you become aware of a further instance or risk of abuse. This includes reporting new information to authorities.

YOU MUST TAKE ACTION

You **must** act, by following the Four Critical Actions, as soon as you witness an incident, receive a disclosure or form a reasonable belief* that a child has, or is at risk of being abused.

As a school staff member, you play a **critical role** in protecting children in your care.

You **must** act if you form a suspicion or reasonable belief, even if you are unsure and have not directly observed child abuse (e.g. if the victim or another person tells you about the abuse).

*A reasonable belief is a deliberately low threshold. This enables authorities to investigate and take action.
