PRINCIPAL'S MESSAGE: Graeme Hodgens

It was great to meet many of our family members at Friday's assembly. I look forward to another great roll-up on Friday.

Curriculum Day

Last night School Council approved a curriculum day for staff on Wednesday the 14th of August. This will allow us to align our school curriculum and to have consistent expectations for staff across the whole week. Students do not attend school on this day.

Students settling back into school routine

We are nearly two weeks into the term, and we are all settling into the rhythm of third term. Ms Owen is recovering well and is hoping to do a surprise drop in visit soon. (The surprise is we don't know when!)

Illness

There are a few "bugs" in our local schools at the moment. If your child is ill please keep them home until they are well enough to return.

Watercolour Paintings with Mrs Foley

Last term Mrs Foley taught our students some of the skills of water colour painting. This week we will complete the "still life" paintings that she started. If you have a chance to pop into school and see them, you are very welcome. We have very talented artists! Mrs Foley will collect these on Friday afternoon. She will frame each painting and they will be displayed in the local Stanhope Art Space for the month of August.

Child safety and wellbeing at Stanhope Primary School

information for families and the school community

The Victorian Government has announced new [Child Safe Standards](#) to further strengthen child safety across organisations, including schools. The new standards recognise the critical importance of families and the broader school community in maintaining and promoting child safety and wellbeing.

Stanhope Primary School has reviewed and updated our child safety policies and procedures to ensure they meet the requirements of the new standards. These are available to view our school's website, via UeducateUs, and at the school's front office.

We are committed to continuous improvement in our approach to child safety and wellbeing and welcome feedback from families and members of our school community on ways we can further strengthen our child safety policies, procedures and practices.

If you have any suggestions, comments or questions, please contact Stanhope Primary School at stanhope.ps@education.vic.gov.au or by phone on 03 5857 2514.

Victoria's Child Safe Standards

- **Child Safe Standard 1** – Establish a culturally safe environment in which the diverse and unique identities and experiences of Aboriginal children and young people are respected and valued.
- **Child Safe Standard 2** – Ensure that child safety and wellbeing are embedded in school leadership, governance and culture.
- **Child Safe Standard 3** – Children and young people are empowered about their rights, participate in decisions affecting them and are taken seriously.
- **Child Safe Standard 4** – Families and communities are informed and involved in promoting child safety and wellbeing.
- **Child Safe Standard 5** – Equity is upheld and diverse needs are respected in policy and practice.
- **Child Safe Standard 6** – People working with children and young people are suitable and supported to reflect child safety and wellbeing values in practice.
- **Child Safe Standard 7** – Ensure that processes for complaints and concerns are child focused.
- **Child Safe Standard 8** – Staff and volunteers are equipped with the knowledge, skills and awareness to keep children and young people safe through ongoing education and training.
- **Child Safe Standard 9** – Physical and online environments promote safety and wellbeing while minimising the opportunity for children and young people to be harmed.
- **Child Safe Standard 10** – Implementation of the Child Safe Standards is regularly reviewed and improved.
- **Child Safe Standard 11** – Policies and procedures that document how schools are safe for children, young people and students.
- Ministerial Order 1359 provides the framework for child safety in schools.

FOUR CRITICAL ACTIONS FOR SCHOOLS

Responding to Incidents, Disclosures and Suspicions of Child Abuse

1 RESPONDING TO AN EMERGENCY

If there is no risk of immediate harm go to **Action 2**

If a child is at immediate risk of harm you **must** ensure their safety by:

- separating alleged victims and others involved
- administering first aid
- calling **000** for urgent medical and/or police assistance to respond to immediate health or safety concerns
- identifying a contact person at the school for future liaison with Police.

Where necessary you may also need to maintain the integrity of the potential crime scene and preserve evidence.

2 REPORTING TO AUTHORITIES / REFERRING TO SERVICES

As soon as immediate health and safety concerns are addressed you **must** report all incidents, suspicions and disclosures of child abuse as soon as possible. Failure to report physical and sexual child abuse may amount to a criminal offence.

Q: Where does the source of suspected abuse come from?

WITHIN THE SCHOOL

VICTORIA POLICE
You **must** report all instances of suspected child abuse involving a school staff member, contractor, volunteer or visitor to Victoria Police.

You **must also** report internally to:
GOVERNMENT SCHOOLS
School principal and/or leadership team
Employee Conduct Branch
DET Incident Support and Operations Centre.

CATHOLIC SCHOOLS
School principal and/or leadership team
Diocesan education office.

INDEPENDENT SCHOOLS
School principal and/or school chairperson
Commission for Children and Young People on **1300 782 978**

All allegations of 'reportable conduct' **must** be reported as soon as possible to:

GOVERNMENT SCHOOLS
Employee Conduct Branch

CATHOLIC SCHOOLS
Diocesan education office

INDEPENDENT SCHOOLS
Commission for Children and Young People on **1300 782 978**.

OTHER CONCERNS

If you believe that a child is not subject to abuse, but you still hold **significant concerns** for their wellbeing you **must** still act. This may include making a referral or seeking advice from:

- Child FIRST/The Orange Door (in circumstances where the family are open to receiving support)
- DHHS Child Protection
- Victoria Police.

3 CONTACTING PARENTS/CARERS

Your principal **must** consult with DHHS Child Protection or Victoria Police to determine what information can be shared with parents/carers. They may advise:

- not to contact** the parents/carer (e.g. in circumstances where the parents are alleged to have engaged in the abuse, or the child is a mature minor and does not wish for their parent/carer to be contacted)
- to contact** the parents/carers and provide agreed information (this must be done as soon as possible, preferably on the same day of the incident, disclosure or suspicion)
- how to communicate** with all relevant parties with consideration for their safety.

4 PROVIDING ONGOING SUPPORT

Your school **must** provide support for children impacted by abuse. This should include the development of a **Student Support Plan** in consultation with wellbeing professionals. This is an essential part of your duty of care requirements.

Strategies may include development of a safety plan, direct support and referral to wellbeing professionals and support.

You **must** follow the **Four Critical Actions** every time you become aware of a further instance or risk of abuse. This includes reporting new information to authorities.

YOU MUST TAKE ACTION

You **must** act, by following the Four Critical Actions, as soon as you witness an incident, receive a disclosure or form a reasonable belief* that a child has, or is at risk of being abused.

As a school staff member, you play a **critical role** in protecting children in your care.

You **must** act if you form a suspicion or reasonable belief, even if you are unsure and have not directly observed child abuse (e.g. if the victim or another person tells you about the abuse).

*A reasonable belief is a deliberately low threshold. This enables authorities to investigate and take action.

It is strongly recommended that you use the **Responding to Suspected Child Abuse template** to keep clear and comprehensive notes, even if you make a decision not to report.
